HOW CHARLES W. BABCOCK

Proprietor Lyceum Shell Oyster Parlor, of Rochester, N. Y. Obtained \$2,000 Life Insurance Policy.

"My business as proprietor of the Lyceum Shell Oyster Parlor, 245 Main street, Rochester, N. Y.," writes Mr. Charles W. Babcock, "was so confining that my lungs became affected. My doctor told me I'd have to leave the store and go to work at something outdoors. He said my lungs were in bad shape, and I knew it just as well as he did. The trouble had been growing on me for a long time. Like most other people, I tried to make myself believe the trouble was not in the lungs. I called it stomach trouble or nervous disorder, but I kept coughing, spitting and wasting away right along. I lost in weight, falling from 140 to 115 pounds. Somehow or other, I got hold of Acker's English Remedy for Throat and Lung Troubles, and after taking it according to directions, I was as well as any man in New York State. I was healthier and stronger than before I took the cold which came so near killing me. I now weigh 150 pounds—ten pounds more than ever. After recovering, I applied for a life insurance policy. When the doctor began examining me, I was afraid he would discover that my lungs had once been affected, but he didn't. I passed all right, and was pronounced in a first-class condition. If that isn't proof of the most positive kind that Acker's English Remedy is a great medicine, I don't know what you call proof. I give it my warmest endorsement. My address is given above. Anyone who wishes may write me personally about my case."

Sold at 25c, 50c, and \$1 a bottle, throughout the United States and Canada; and in England, at 1s, 2s, 3s, 4s, 6d. If you are not satisfied after buying, return the bottle to your druggist, and get your money back.

We authorize the above guarantee. W. H. HOOKER & CO., Proprietors, New York. For Sale by ROGERS BROS.

We Haven't Killed Many Bears

But we have hammered away night and day for 16 consecutive years at the prescription counter with the result of having attained the largest prescription file in the county. There's a reason for this. Anyone can dish out patent medicines, but when it comes to filling prescriptions you want a competent man at the tiller, so to speak, with a clear eye and a clear head—in fact, a man who realizes that a human life hangs in the balance. We do this; it's our specialty.

It takes but a minute to overcome tickling in the throat and to stop a cough by the use of One Minute Cough Cure. This remedy quickly cures all forms of throat and lung troubles. Harmless and pleasant to take. It prevents consumption. A famous specific for grippe and its after effects. Rogers Bros.

Chaplain Wm. S. Gilbert formerly of the Second Oregon, now pastor of Calvary Presbyterian church, Portland, filled his number in the lecture course of the B. Y. P. U. last Friday evening. The audience was not as large as most people would have guessed it would be, but those present enjoyed a highly interesting narration of the events in the Philippines. The chaplain is a little man with a rapid tongue, full of smiles and sympathy, and enough dramatic ability to make his lecture effective. About a dozen volunteers were present and greeted the chaplain warmly after the lecture. He also received some bouquets from the ladies.

Prof. J. H. Ackerman, state superintendent of public instruction, has called a meeting of the department of superintendence of the state teachers' association to be held in Salem Dec. 27th to 29th inclusive. This is done for the purpose of bringing up for discussion important questions affecting the teachers, and giving the latter an opportunity to hear these matters, vitally concerning them in their chosen vocation, discussed by the leaders in the educational world of the state. It is expected that every county superintendent and the principals of all the leading schools will be present and assist in making the gathering an unqualified success. Prof. Littlefield is on the program for discussion of the question whether it is correct to give fifteen questions in teachers' examinations, with permission to answer ten, and if so, to what branches may it be applied? Prof. Reynolds is to have a paper on "The Rights of Pupils."

Columbus School Notes.

We will have ten days vacation this year because school closes the 22d and opens January the 2d.

The high school had two tardy marks Tuesday. If this had happened in the primary room it would not have been so bad, but great big pupils like those that made these tardies, ought to be ashamed of themselves.

Next Monday is Christmas. It does not seem long since last Christmas, but "time is fleeting" and the years are rolling by. Have we reached our goal with this year's work? If not, let us make new resolutions and when we return to school in 1900, go there with a determination that we are going to do better work and make better boys and girls.

In closing the school notes for this year we wish all teachers a merry, merry Christmas and a happy New Year, and hope that all will be benefited by the vacation.

Death of Mrs. Collins.

Hattie M. Collins, familiarly known as "Auntie" Collins, died suddenly at Carlton on Friday night, Dec. 15th. She was born August 28th, 1832, in Catawagus county, N. Y. She was twice married. Her first husband's name was John Peck. In this union three children were born. One is still living at Haystack, Crook county, Oregon. She was married to J. W. Collins Aug. 15th, 1868. In this union there were two children. Both are now dead. J. W. and "Auntie" Collins came to Oregon in March, 1880, and have resided in Carlton ever since the fall of that year. She united with the Christian church at Altona, Missouri, in the year 1872, but never removed her membership from there. The funeral was conducted by Elder J. Campbell on Sunday.

Cook-Snyder.

One of those quiet yet sensible and unostentatious weddings occurred on Saturday, Dec. 16th, when Mr. Wilbur C. Cook and Miss Satie Snyder were united in marriage by President H. L. Boardman at the home of the bride's parents. The ceremony occurred at 2 p. m., and the 3 o'clock train was taken by the groom and his bride for several weeks' visit in Los Angeles, Calif. They are among our worthiest young people, industrious, intelligent and self-helpful—the kind that have the best right to get married, and who make of it the greatest success. They have the wishes of The Reporter for the most abundant happiness and prosperity in their new relation.

A Worthy Organization.

The called meeting of hopgrowers which met in this city last Saturday was largely attended by representative hopgrowers from every section of the county. The benefits to accrue from a thorough organization were explained by M. L. Jones, president of the Oregon Hop Growers' Association. The prospects were regarded with favor, and some 1200 bales of hops were pledged to the association. On Tuesday a business meeting of the association was held at Salem. Real progress is being made by the association, which advises growers to pool their hops, as they have assurances of receiving 15 cents per pound. The middlemen, who have been making immense profits, are being dropped, and the association will sell direct to brewers. About 24,000 bales have been pledged to the organization, known as the Oregon Hop Growers' Association.
