

Over-Work Weakens Your Kidneys.

Unhealthy Kidneys Make Impure Blood.

All the blood in your body passes through your kidneys once every three minutes.

The kidneys are your blood purifiers, they filter out the waste or impurities in the blood. If they are sick or out of order, they fail to do their work.

Faint, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble. Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.

It is used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.

If you are sick you can make no mistake by first doctoring your kidneys. The mild and extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes.

You may have a sample bottle by mail Home of Swamp-Root, free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.

HOME CURE FOR BLOOD POISON.

Beware of the Doctors' Patchwork; You Can Cure Yourself at Home.

There is not the slightest doubt that the doctors do more harm than good in treating Contagious Blood Poison; many victims of this loathsome disease would be much better off to-day if they had never allowed themselves to be dosed on mercury and potash, the only remedies which the doctors ever give for blood poison.

The doctors are wholly unable to get rid of this vile poison, and only attempt to deal up the outward appearance of the disease—the sores and eruptions. This they do by driving the poison into the system, and endeavor to keep it shut in with their constant doses of potash and mercury. The mouth and throat and other delicate parts then break out into sores, and the fight is continued indefinitely, the drugs doing the system more damage than the disease itself.

Mr. H. L. Myers, 100 Mulberry St., Newark, N. J., says: "I had spent a hundred dollars with the doctors, when I realized that they could do me no good. I had large spots all over my body, and these soon broke out into running sores, and I endured all the suffering which this vile disease produces. I decided to try S. S. S. as a last resort, and was soon greatly improved. I followed closely your 'Directions for Self-Treatment,' and the large blotches on my chest began to grow paler and smaller, and before long disappeared entirely. I was soon cured perfectly and my skin has been as clear as glass ever since. I cured myself at home, after the doctors had failed completely."

It is valuable time thrown away to expect the doctors to cure Contagious Blood Poison, for the disease is beyond their skill. Swift Specific—

S. S. S. FOR THE BLOOD

—acts in an entirely different way from potash and mercury—it forces the poison out of the system and gets rid of it entirely. Hence it cures the disease, while other remedies only shut the poison in where it lurks forever, constantly undermining the constitution. Our system of private home treatment places a cure within the reach of all. We give all necessary medical advice, free of charge, and save the patient the embarrassment of publicity.
