The Georgia Minstrels gave a pretty good show Monday evening to a large house. The most creditable features were the rope walking and acrobats. The coon songs were overdone in speed and enunciation, and but few people could appreciate the feature of men dressed as women. The reception of the show on its arrival was demonstrative enough to give the most stolid darkey the swell-head.
Next Sunday will be a day of special interest to all Cumberland Presbyterians, as it is the anniversary both of the organization of the church and the Christian Endeavor society. A suit for a grain threshing bill was brought before Justice Snyder last Saturday by Martin & Houck vs. C. W. Babcock of Bellevue. Mr. Snyder states the point of issue as follows: "Martin & Houck were charging 4 1/2 and 5 1/2 cts. respectively for threshing oats and wheat; about Bellevue several machines were charging 4 and 5 cents. Hence the defendant claimed that this established the price and refused to pay the half-cent additional, and hence the suit to recover. A jury gave plaintiffs a verdict for the amount sued for—\$13.10. Several other cases of a like nature were settled after this suit."

Rogers Bros.
Mrs. J. C. Cooper returned Thursday of last week from her visit in California, glad to get back to Oregon, though her stay was pleasurable enough. Some of the formerly of McMinnville people seemed to have a longing for the genial Oregon climate, as wood is so scarce and high down there that they have to go without a fire most of the time, and suffer from the cold while practicing economy. Hon. D. B. Kingery was down with the grippe, and pining for his old stamping ground on the classic shores of the muddy. His many friends will give him a warm welcome whenever he shall choose to return.

Carlton lodge No. 88, A. O. U. W. and the D. of H. held an entertainment and duck supper in their hall last Saturday night. The proceeds of which amounted to between \$60 and \$70. Winfield Scott was master of ceremonies, and presented an attractive program, concluding with a farce in the nature of a mock senate of ladies. The Scott brothers and McCutcheon brothers appeared in male quartettes. The proceeds are to apply on their hall debt. The attendance was large and the occasion very enjoyable. A number of persons were present from McMinnville.
There is no better medicine for the babies than Chamberlain's Cough Remedy. Its pleasant taste and prompt and effectual cures make it a favorite with mothers and small children. It quickly cures their coughs and colds, preventing pneumonia or other serious consequences. It also cures croup and has been used in tens of thousands of cases without a single failure so far as we have been able to learn. It not only cures croup, but when given as soon as the croupy cough appears, will prevent the attack. In cases of whooping cough it liquefies the tough mucus, making it easier to expectorate, and lessens the severity and frequency of the paroxysms of coughing, thus depriving that disease of all dangerous consequences. For sale by Howorth & Co., druggists.

Soldier Dead Being Brought Back.
The information that the bodies of 159 dead soldiers had landed at San Francisco from Manila on Jan. 25th, being returned at government expense for burial as parents or friends should designate, came as somewhat of a surprise on Wednesday, as they were not expected before March. Among the number are the bodies of three of Yamhill's brave soldier boys, viz., Lewis E. Miller, F. W. Hibbs and Richard E. Perry. This is three-fifths of Yamhill county's loss, the other two being Bert J. Clark and Ralph Odell. The date when the government intends to ship the remains from San Francisco will be learned later and plans for the reception and final services may then be perfected. The volunteers of the state are negotiating for a plot in Riverview cemetery, Portland, for the burial of comrades not otherwise assigned, in which case a suitable monument would be erected.
