Senate Refused to Consider the Boer Resolution.

Washington, May 2 .- Again today the question of expressing sympathy for the Boers was thrust on the attention of the senate. This time it came up on a motion to proceed to the consideration of the resolution introduced by Pettigrew (Silver, S. D.) which was before the senate last Saturday. The motion was defeated, 29 to 20. The conference on the joint resolution relating to the administration of civil affairs in Puerto Rico and providing for the appointment of temporary officers on the island was agreed to. During the greater part of the session the Alaskan civil code bill was under consideration, but no progress was made.

The house today passed the Lacey bill, to enlarge the powers of the department of agriculture and to prohibit interstate commerce in game killed in violation of local laws. It authorizes the secretary of agriculture to provide for the introduction and restoration of game and insectiverous wild birds. Is gives him the power to prevent the introduction of undesirable birds and animals and prevents the killing of game in violation of state laws for concealed shipment to states where it can be sold in the open markets.

The senate bill to create a commission of five to investigate and report upon the commercial and industrial conditions in Japan and China was debated at length, but was vigorously antagonized by the Democrats, and they finally succeeded in striking out the enacting clause in committee, and this motion was pending when the house adjourned. If the motion prevails in the house, the bill is dead.
