THE BOERS LOSING HEART

It Is Fear That if Dutch Have in Excuse They Will Destroy the Johannesberg Mines.

London, May 29 .- When Lord Roberts wrote his first dispatch on Transvaal territory yesterday, shortly before 2 o'clock in the afternoon, he was 5 miles from Johannesberg and 77 mile from Pretoria. His immensely superior forces had passed the Vaal river, their last great natural obstacle, at three

The Vaal has a curve of 80 miles on the west to Zand Drift on the east. The concave of the current is toward the Free State. Thus Lord Roberts. advancing along the railway, was in a position to strike any part of the cres cent by shorter lines than those by which the Boers could reinforce the threatened points. The Boers retreated almost without a show of defense. General French and General Hamilton apparently did not fire a shot.

Of Lord Roberts' immediate force 11 men, belonging to the Eighth mounted infantry, were the first to ford the river. They came upon a Boer patrol looting at Vieljoen's Drift, and a skirmish lasting 10 minutes followed. Three hundred Boers tried feebly to hold the Vereeniging colliery, but were dislodged. Major Hunter Weston and Lieutenant Earl rode in advance of Lord Roberts 40 miles into a hostile country to try to cut the railway becrossed, but they were too late.

The Boer rear guard is at Moyerton, 10 miles south of Vereenignig. Their main body is moving toward the Klip river hills that cover the south side of Johannesberg. While Lord Roberts' 30,000 infantry, 20,000 horses and 150 guns are moving on Johannesberg and Pretoria, through a parched and deserted country, the situation at the Transvaal capital, as it was last Friday, is thus described by an observer, who sent his message by private hands to Lourenco Marques yesterday:

"The situation, both from a military and a political point of view, has beyesterday admitted for the first time that matters are very grave. WARNING TO CHINA.

Uncle Sam Says the "Boxers" Must Be Suppressed.

Washington, May 28 .- The United States government has taken a hand in the suppression of the "Boxers" in China. Minister Conger has been instructed by the state department to inform the Chinese government that the United States government expects it to stamp out promptly and thoroughly this society, and to provide proper guarantees for the maintenance of peace and order, and the protection of the life and property of Americans in China, all now threatened by the operations of the "Boxers." There is no indication in the instructions as to the course that will be pursued by the United States in case the Chinese government fails to observe the warning conveyed in this communication. Mr. Conger is acting on paralle! lines with the representatives of every European power at the Chinese court, but has not joined in any concert of action.

STRIKE SYMPATHIZERS.

Caused Another Riot in St. Louis-Attempt to Blow Up a Car.

St Louis, May 28 .- Sympathizers of the striking street car men were again the medium of a riotous demonstration today, and as a result another name was added to the long list of wounded. This afternoon, as a car on the Jefferson avenue line, running south, approached Sullivan avenue, it was attacked by a crowd of men and boys. Several shots were fired at the car. The policemen on the car returned the fire, and in all about 100 shots were exchanged. Peter Wells, a patrolman, who was riding on the front platform, was hit in the left arm pit, the bullet producing an ugly wound. It is not known who fired the shot, as the crowd scattered as soon as the men on the car drew their revolvers. It was rumored that two men in crowd were shot, but they could not be found by the police.

The differences existing between the management of the St. Loulis & Suberban Railway Company and the union men in its employ were satisfactorily adjusted this afternoon and all danger of another strike has been averted, at least for the present.

SENATOR WELLINGTON SPEAKS

Industrial Commission Accused of Being a Republican Campaign Machine -Said to Have Suppressed Testimony.

Washington, May 31 .- In the course of a speech in favor of the adoption of a resolution expressing the senate's sympathy for the Boers today, Wellington referred to a secret understanding existing between the United States and Great Britain. When Lodge demanded proof that such an understanding existed, Wellington said that, under the time in May dividends have been paid circumstances, it was difficult to present tangible proof, but he believed lows: the proof could be found in the secret archives of the state department. Lodge replied that under our form of government no such understanding could exist, and, as the secretary of state had emphatically denied the existence of any alliance or understanding, he believed the country would accept his statement as true

The reading of the sundry civil appropriation bill was completed, but not all of the committee amendments have been disposed of.
