Blood Troubles:

tant that it be kept free of all impurities, or it becomes a source of disease poisoning instead of nourishing the body, and loss of health is sure to follow. Some poisons enter the blood from without, through the skin by absorption, or inoculation; others from within, as when waste products accumulate in the system and ferment, allowing disease germs to develop and be taken into the circulation. While all blood troubles have one common origin, each has some peculiarity to distinguish it from the other. Contagious Blood Poison, Scrofula, Cancer, Rheumatism, Eczema and other blood diseases can be distinguished by a certain sore, ulcer, eruption or inflammation appearing on the skin. Every blood

disease shows sooner or later on the outside and on the weakest part of the body, or where it finds the least resistance. Many mistake the sore or outward sign for the real disease, and attempt a cure by the use of salves, liniments and other external applications. Valuable time is lost and no permanent benefit derived from such treatment. BLOOD TROUBLES REQUIRE BLOOD REMEDIES; the poison must be completely and permanently eradicated—the blood reinforced, purified and cleansed, or the disease goes deeper and saps the very life. Mercury, that loving hearts and kind hands could potash and arsenic, the treatment usually prescribed in this class of diseases, are violent poisons, even when taken in small suggest for his comfort. Wisdom was doses—never cure, but do much harm by adding another poison to the already overburdened, diseased blood.

S. S. S., Nature's own remedy, made of roots and herbs, attacks the disease in the blood, antidotes and forces out all impurities, makes weak, thin blood rich, strong and healthy, and at the same time builds up the general health. S. S. S. is the only purely vegetable blood purifier known, and the only one that can reach deep-seated blood troubles. A record of 50 years of successful cures proves it to be a reliable, unfailing specific for all blood and skin troubles.

Free Modical Treatment. - Our Medical Department is in charge of skilled physicians, who have made blood and skin diseases a life study, so if you have one depart with such triumph. Death of Wisdom Milisap, Jr.

The following notice is sent us by Hon. Wm. Millsap of Newberg. It is a clipping taken from the Christian Advocate, oncerning the recent death of his son: Wisdom Millsap, Jr., formerly of Mc-Minnville, was born in Oregon March 22, 1873 Died in Moscow, Idaho, June 12, 1900. Mr. Millsap was a young man of promise. He went to Seattle a few years ago, where he contracted the disease of consumption. Last April he came to Moscow, sinking in health, but too late, the disease had marked his young life for a victim. His sister from Portland, Oregon, came to minister to her brother. He had three brothers here, viz., George, Joseph and John. They did everything most happily converted to God a short time before his death, very largely through the influence of his brother John, who had been converted a short time previous. Wisdom died in great peace. It has seldom been my lot to see you love Jesus?" He left messages of love for father and mother, brothers and sister, praying that they might meet him in heaven. Peace filled his soul and the very light of heaven shone upon his face. May his last words and hours upon earth never be forgotten by his unsaved brothers until they know his Sa-G. M. B.
