

CANCER IS NOT INCURABLE

Time was when Cancer was considered as incurable as leprosy. Physicians and friends could give little relief or encouragement to one afflicted with this terrible disease. Even now doctors know of no remedy for this fearful malady; while admitting it to be a blood disease, they still insist that there is no hope outside of a surgical operation, and advise you to have the Cancer cut out, but at the same time cannot assure you that it will not return. You may cut or draw out the sore, but another will come in its place, for the disease is in the blood—is deep-seated and destructive, and beyond the reach of the surgeon's knife or caustic, flesh-destroying plasters. The blood must be purified and strengthened, the system relieved of all poisonous, effete matter before the Cancer sore will heal.

S. S. S. is the only medicine that can overcome this powerful and contaminating poison and force it out of the blood. It builds up and invigorates the old, and supplies new, rich, life-giving blood. S. S. S. is a purely vegetable remedy; no mineral can be found in it; the roots and herbs from which it is made contain powerful purifying properties that act directly upon the blood system and make a safe and permanent cure of Cancer. It has cured thousands, why not you?

Cancer is not always inherited; your family may be free from any taint, yet your blood may become so polluted that a severe and stubborn form of the disease may develop from a sore or ulcer on your tongue or other part of your body; a slight bruise or hurt, a little pimple on the eyelid, lip or nose, a small lump on the jaw or breast, a harmless looking wart or mole, and other causes so insignificant as to attract little or no attention. If you have an obstinate sore, don't rely upon salves or ointments to cure it—begin with S. S. S. at once; it will cleanse your blood and prevent the formation of cancerous cells.

Impure Blood Invites Disease.

Mrs. R. Shirer, La Plata, Mo., writes: "A small pimple came on my jaw about one inch below the ear on the left side of my face. At first it gave me no trouble, and I did not think it was anything serious until the jaw began to swell and became much inflamed. At the same time the sore began to spread and eat into the flesh, and gave me intense pain. I tried everything I could hear of, but nothing did me any good. I then began the use of S. S. S., and after taking several bottles the Cancer healed, and there is now no sign of the disease. This was two years ago, and I am still enjoying perfect health."

Send for our special book on Cancer; it contains much information that will interest you. It is free.

Write our physicians about your case, and for any advice or information wanted; they have made a life study of Cancer and all blood diseases. We make no charge whatever for this.

Report of W. C. T. U. County Convention.

The annual county convention of the Woman's Christian Temperance Union met in Newberg Sept. 25 and 26, called to order by the president, Mrs. Grover, of McMinnville. The devotionals were conducted by Mrs. Votaw of Newberg, superintendent of evangelistic work. The morning session was devoted to the appointment of committees, reports of officers and reception of delegates. Noon-tide prayer. The afternoon session was opened by devotions led by Mrs. Newlin of Newberg, reading 1st Cor. 15th chapter, followed by prayer in which several participated. The hearty and cordial address of welcome by Mrs. L. A. P. White, and kindly response by Mrs. Mills, (read by Mrs. Miller, Mrs. Mills being absent) gave all a homey feeling which lasted all through the convention. From the president's well prepared address, on through every report, well chosen thoughts carefully expressed to show the advance side of our beloved work, were given to attentive listeners. The corresponding secretary sent a resume of the work handed to her showing the grand results of the year's efforts. For Tuesday evening a very excellent and instructive program was planned by Mrs. Scott of Lafayette, superintendent of medal contest work. The evening was occupied by a silver gray medal contest, with music interspersed, which was one of the events of the convention. Each selection was given in a very meritorious manner, and a most excellent showing of gestures, pronunciation and general effect. The contestants were Mrs. Grover, of McMinnville, Mrs. Scott, of Lafayette, Mrs. Morris, of Newberg, and Mrs. Dunn, Mrs. Fletcher and Mrs. R. B. Miller of Dayton. The medal was awarded Mrs. Miller. Wednesday's sessions opened with prayer and reading of the scriptures. The day sessions were full of business and reports indicated a general "lengthening of cords and strengthening of stakes." They were full of interest and contained much food for thought. Three o'clock was set for the discussion of the question, "Does the prosperity of the church demand that temperance shall have a prominent place in the activities of the church?" An invitation was extended to the ministers of Newberg to take part in the discussion. I am happy to say that some availed themselves of this opportunity, and the question was ably and forcibly discussed by Rev. Carr, Kelsey and others present, that temperance should have a prominent place in the church. We were greatly encouraged in our work by the presence of ministers and professors who dropped in from time to time, whose presence and words of cheer were an inspiration to the convention. An array of talent gave freely of their services and were an inspiration to every session. The music of the sessions was inspiring and touching. Words are inadequate to express the appreciation of the delegates for the magnificent entertainment accorded them by the citizens of Newberg. "It was good to be there."

Co. Supt. of press work.

It Happened in a Drug Store.

"One day last winter a lady came to my drug store and asked for a brand of cough medicine that I did not have in stock," says Mr. C. R. Grandin, the popular druggist of Ontario, N. Y. "She was disappointed and wanted to know what cough preparation I could recommend. I said to her that I could freely recommend Chamberlain's Cough Remedy and that she could take a bottle of the remedy and after giving it a fair trial if she did not find it worth the money to bring back the bottle and I would refund the price paid. In the course of a day or two the lady came back in company with a friend in need of a cough medicine and advised her to buy a bottle of Chamberlain's Cough Remedy. I consider that a very good recommendation for the remedy. It is for sale by Howorth & Co., druggists."

To be sure. You are not a watch-maker. How should you know the difference? That is just why you should buy that watch of a substantial, located, home jeweler—a place where you know of whom you are buying, and the assurance of a business reputation, and guarantee that goes with every sale. Here you take no risk. It isn't like sending off for a watch—we couldn't afford to misrepresent the quality, as our best advertising develops in the watches we have sold from year to year. It is our ideas of store-keeping to make people satisfied; they come again and send others. We think it pays.

As to prices, it stands to reason that the jewelers of the smaller towns like ourselves, can undersell the city jewelers who are laboring under enormous rentals and varied expenses of city merchandising.
