# Questions for Women

If you were offered sure aid in time of trouble would you put it aside

If you saw before you a strong and safe bridge leading to your goal, would you ignore it to try some insecure and tottering structure?

The answer to these questions is plain. You would, of course, choose without hesitation what all evidence showed to be the safe thing, and you would risk nothing in useless experi-

Why, then, do some women risk one of their most precious possessions—their health—in trying medicines of unknown value, which may even prove hurtful to them.?

Lydia E. Pinkham's Vegetable Compound has stood the test of years. It has the largest sale of any remedy for female ills in the world, and nothing could have given it this sale except its own merit.

Do not try any experiments, but buy what is known to be reliable. Mrs. Pinkham's Compound can do all that is claimed for it, and all statements in regard to it can be easily verified. Write to Mrs. Pinkham at Lynn, Mass. for a little book she has just published containing letters from the mayor of Lynn, the postmaster and others.

Mrs. Pinkham's advice is offered free

of charge to all women who write to her for aid. This invitation is constantly renewed. A million women have been cured of serious female ills by Mrs. Pinkham's advice and medicine.

### Three Letters from One Woman, Showing How Lydia E. Pinkham's Vegetable Compound Cured Falling of the Womb:

"DEAR MRS. PINKHAM-I see your advertisement in the papers in regard to treating woman's diseases, and would be grateful to you for your advice in my case. I am suffering from falling of womb, have pains in my sides and legs, in fact I ache all over. I am getting so weak I cannot stand on my feet much. I have the head-ache sometimes, and a choking, tight feeling in my breast and throat. a baby seven months old. I hope to hear from you soon, as I am in so much distress."—Mrs. J. R. Compton, Eggbornsville, Va., May 16, 1898.

"DEAR MRS. PINKHAM-I followed your advice and I am now on the sec-ond bottle of your Vegetable Com-pound and I think it is going to cure me. If it does I will ever praise it, for I am, and have been, a great suf-ferer; but now I live in hopes of getting well."—Mrs. J. R. COMPTON, Eggbornsville, Va., July 12, 1898.

"DEAR MRS. PINKHAM—Again I write to you. When I first wrote to you for advice in regard to my troubles thought I could never get well again. After receiving your letter I followed you, I am cured of that dreadful disease. I cannot find words to express the good your medicine will do. It is really more than was recommended to me."—Mrs. J. R. Compton, Eggbornsville, Va., April 12, 1899.

### Two Women Cured of Irularity, railing of the Uterus and Ovarian Trouble.

"DEAR MRS. PINKHAM - I have female weakness. Menstruation irregular, and I suffer bearing down pains in left side and hip. My doctor said I had womb trouble and enlargement of the ovaries. I have doctored two months, but see no improvement." -MISS MARY E. REED, Swan Creek,

"DEAR MRS. PINKHAM-Your good advice has been worth more than all I ever received from a doctor. Words cannot express my gratitude to you for Lydia E. Pinkham's Vegetable Compound. After twelve years' suffering I am stout and healthy."—Miss MARY E. REED, Swan Creek, Ill., April 28, 1899.

"DEAR MRS. PINKHAM - I suffer female troubles. My doctor wishes my ovaries taken out, but I shall never consent. Menstruation is irregular and my head has a tired feeling. Hospital treatment does me no good. I have five children and am forty-four years old. Please advise what medicine to take."—Mrs. E. H. Sonders, 437

For a great many years doctors pronounced it alocal disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Decrease of Drunkenness.

In an address before the railroad branch of the Y. M. C. A. of New York City, Chauncey. M. Depew made a statement as to the decrease of drunkenness among railroad men that is worth repeating, coming from so high an authority. Twenty veras ago, he said, when there were about 15,000 men in the New York Central service, the average proportion of men discharged for drunkenness within a certain period was at least 20 per cent. Now, with 30,000 men employed by the company, not one per cent is dropped from the service for that cause.
