"Wouls cannot express how grateful I am for your kind advice and your 'Pavorite Prescription,' " writes Mrs. D. B. Barricks, of Perrows, Campbell Co., Va. "I feel that it has cured me. I had been in poor health for four years. Suffered greatly with my right side, also with bearing-down pains, and my nerves were in a dreadful state. After using four bottles of your 'Favorite Prescription' I am now well. I am the mother of two children. With the first child I suffered twenty-eight hours, and with the second I used your medicine and was sick only three hours. I believe Dr. Pierce's Favorite Prescription to be the best medicine in the world for suffering females. I wish you great success, and hope that God will bless you in your noble work."
