Union Thanksgiving Service.

According to the usual custom, a union Thanksgiving service will be held in this city on Thanksgiving morning at the hour of half past ten. It will be participated in by the Cumberland Presbyterian, Baptist and Methodist churches and will be held in the Cumberland Presbyterian church. The sermon will be preached by R. W. King of the Baptist church, and will be preceded by an excellent program of music which has been prepared under the supervision of Mr. Gortner, and which will be given by the choir of the Presbyterian church. As is usual at these services a collection will be taken, which will be equally divided among the different churches participating, and will be used for the relief of their local poor. A cordial invitation is extended to all to participate in this service.

Dundee now sports an operatic troupe under the firm name of Vance, Hagey & Co., and has posters out announcing that the first "play" will be given this evening in Dundee. We presume that a specialty of comic opera will be introduced as the "first man" is solemnly obligated to "make his audience laugh as it has never laughed before." Score one for Dundee. Andy Johnson of West Chehalis made the election in their precinct resulted in the republican ticket coming out ahead by just one quarter of a vote. He figures this out by the fact that the republicans voted straight 64 for each elector while the democratic vote ran 62, 65, 65, 63, making one vote ahead for the republican ticket, to be divided among four electors. In the future it would seem that West Chehalis might well be called a "doubtful" precinct. —Newberg Graphic.
