All Day Meeting.

At the M. E. church, in this city, on December 12th, that will be next Wednesday, there will be a special day for prayer and study of the needs of the church in various ways. The meeting will last all day, beginning at 9 o'clock in the morning and closing in the evening with a sermon and consecration service. It will be participated in by the ministers of the Salem district, and it is expected that there will be quite a number in attendance. The call for this meeting is made by the presiding elder of Salem district, and is the result of a suggestion made by Bishop Thoburn. An invitation to attend is cordially extended to all who are interested. During the day there will be several topics to be discussed which are of vital interest to all Christians.

The Methodist Thanksgiving Dinner.

The Thanksgiving dinner, which was participated in by the members and friends of the M. E. church, and which was given in Fenton's building on Third St., was an entire success in every way. It was attended by a large number of the members and friends of the church, there being as many as two hundred meals served altogether, for in addition to the dinner, supper was also furnished in the evening, and this was followed by a general meeting to which all were invited, and which took the place of the usual prayer meeting, which is held in the church. It was amusing to note the astonishment that was expressed by some, who had come in for dinner and also for supper and had expected to pay for the same, and who were almost in doubt whether to eat or not when they found that everything was without charge. Special thanks are due from the church to all who helped to make the day the success it was. Words of praise were heard on every side by those who attended, and who felt that the day was one long to be remembered.

BAD BLOOD, BAD COMPLEXION.

The skin is the seat of an almost endless variety of diseases. They are known by various names, but are all due to the same cause, acid and other poisons in the blood that irritate and interfere with the proper action of the skin.

To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove permanently the ugly blotches and the red, disagreeing pimples.

Eternal vigilance is the price of a beautiful complexion when such remedies are relied on.

Mr. H. T. Shobe, 2701 Lucas Avenue, St. Louis, Mo., says: "My daughter was afflicted for years with a disagreeing eruption on her face, which resisted all treatment. She was taken to two celebrated health springs, but received no benefit. Many medicines were prescribed, but without result, until we decided to try S. S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth. She is now seventeen years old, and not a sign of the embarrassing disease has ever returned."

S. S. S. is a positive, unfailing cure for the worst forms of skin troubles. It is the greatest of all blood purifiers, and the only one guaranteed purely vegetable.

Bad blood makes bad complexions, purifies and invigorates the old and makes new, rich blood that nourishes the body and keeps the skin active and healthy and in proper condition to perform its part towards carrying off the impurities from the body.

If you have Eczema, Tetter, Acne, Salt Rheum, Psoriasis, or your skin is rough and pimply, send for our book on Blood and Skin Diseases and write our physicians about your case. No charge whatever for this service.

Her geography is better than her knowledge of statecraft names. Not long ago a company of elderly ladies were sitting at their tea on Portland Heights when one of them enquired, "What is this 'open door' that the papers are talking of so much?" It was explained that it meant that the nations had agreed to allow each other to trade on equal terms in China. "Well, I don't see why they want to go to war over that little thing. In such a hot country as that I would think they would want the door open all the time."—Hillsboro Independent.

CITY OFFICERS.

THE NEW MAYOR.

Mr. Jacob Wortman is an Oregon pioneer, having come to the state in 1852, and to McMinnville in 1883, when, with his two sons, he engaged in the banking business. The newly-installed mayor has been progressive and public spirited, and that he will serve this enterprising city quite acceptably as its chief executive is conceded by all. He has been twice before mayor of McMinnville, and at the close of each term retired with honor.

THE RETIRING MAYOR.

With Tuesday night ended the one year term of Capt. H. S. Maloney as mayor of this city. The year has been characterized by considerable substantial improvement, notably the installment of the new electric service. That he has made a good mayor, goes without saying. His every act has been the result of careful weighing and conscientious balancing, and so far as we know, not a breath of criticism has been uttered. The captain has now opened an office adjoining the city hall, and will devote himself with renewed energy to the work of private surveying and the writing of fire insurance. He has had 20 years' experience as deputy U. S. surveyor, as well as having been county surveyor. The insurance companies he represents are among the most popular and reliable. He has just been chosen by the new city council as city surveyor.

These Have Entertained.

A very pleasant surprise party was tendered Mr. and Mrs. B. F. Fuller on the evening of Nov. 28th, it being their 43d wedding anniversary. Mr. R. L. Conner made the presentation of the mementoes given. Mrs. D. A. Wallace read one of her own compositions suited to the occasion. The evening was very pleasantly spent in a social way. A nice lunch was served, after which all departed, wishing them many returns of the day.

A very pleasant and enjoyable evening was spent at the home of Mr. and Mrs. Geo. Cable, by a few of their friends on Saturday evening, Dec. 1st, it being their second wedding anniversary. Many very pretty presents suitable to the occasion were received by the happy couple. There were present Dr. and Mrs. Cook, Dr. and Mrs. Cable, Eva Cable, Mr. and Mrs. Wm. Scott, Mr. and Mrs. A. S. Campbell, Mr. and Mrs. Sam Hibbs, Mr. and Mrs. Scott Wright. A delicious lunch was served by Mrs. Cable, after which parlor games were the order of the evening. The recital of the "First Settler's Story" by Mrs. Cook was very much enjoyed. After wishing Mr. and Mrs. Cable many such like occasions, all went home reminded that life is just what we make it.

The city election passed off very quietly last Monday and the following is the result: Councilmen—E. P. Wallace, P. P. Durrant, W. Rea, Frank Ferguson and B. Good; treasurer, J. J. Putman, recorder, G. A. Graves; marshal Bert Keys.

The many good things done for the town by the councils of the past two years will no doubt be an incentive to the recently elected council to "get a move on it," and pile up a lot of laurels to their own glory. Our citizens are very appreciative and anything done for the good of our little city will be duly remembered.
