Col. Holt's meetings opened last evening with a fair sized audience. Col. Holt is an earnest, forceful speaker, and has great confidence in the good that may be done to this place. He gave a glowing tribute to the W. C. T. U., but could not tell all the good that has been done by that organization. Senator Brownell last week introduced a concurrent resolution in the senate, providing for a re-submission to the people of the equal suffrage amendment. The resolution was accompanied by a petition from the Equal Suffrage association, asking the legislature to once more give the ladies an opportunity to wage contest and attempt to secure the right of franchise in Oregon. The petition was read, and a vote was taken, resulting in the adoption of the resolution. President Fulton voted against the resolution, saying he had twice voted for it in the legislature and twice at the polls, and in each case it met defeat at the hands of the voters. This time he would vote against it.

Dallas has been experiencing a law and order crusade. Last week, Tuesday, a delegation composed of members of the W. C. T. U. and others, headed by Revs. Young and Goodfriend, formed in marching order and proceeded to the home of Mrs. Mary Sears, where they entered the house and demanded a daughter of Mrs. Ed Richards who had been staying there for a day or two. The girl was not to be seen when the company first entered the house, and a vigorous search was at once instituted, the girl being finally located in the kitchen. She was told to get ready to leave the house, but to this she demurred, saying that she was not properly provided for and cared for at home. Mrs. Sears was accused by members of the party of holding the girl for immoral purposes, and the determination to remove her from the house was announced. Mrs. Sears vigorously denied this accusation, and stated further that the girl had come there of her own accord because of the alleged ill treatment at home. The company then marched away, taking the girl with them, but before leaving they ordered Mrs. Sears and a Mrs. Darling, who is also stopping at the house, to leave town within 24 hours, stating that they would return the next day if the order were not complied with. The women paid no attention to the order. The following Thursday temperance people to the number of fifty made another crusade. The Observer says: "The cigar stores and saloons were visited, but nothing was done further than to notify the proprietors to close all the slot machines. The crowd was good-natured, the recipients of the visit appeared to be in a like mood, and altogether it was a rather interesting occasion." As a result of the temperance meetings 345 have signed the pledge and the W. C. T. U. membership has increased from 27 to 100.

The Salem Flouring Mills company will begin, in about two months, the erection of a new mill on the site of the one destroyed by fire a year and a half ago, says the Statesman. The new mill will be a commodious frame building, and will have a daily capacity of 200 barrels or more. The only matter that causes any delay in the commencement of the work is the fear that the wheat crop will again fail, but it is believed that by the first day of April the wheat will be far enough advanced in growth to make a good crop reasonably certain. Union lodge No. 43 A. F. & A. M. of this city has just purchased of Ammon Shadden a tract of five acres adjoining Masonic cemetery on the east of the south half of the present grounds. The purchase also includes a new roadway leading from the county road east of the cemetery, up the ridge nearly in line with the middle avenue of the cemetery, and along the north side of the strip purchased. This is an enterprising stroke on the part of the lodge, as it avoids the necessity of climbing the steep hill, which has been done for so many years. The new grade is practically an easy one. The price paid for the land was \$45 per acre. The McMinnville News, by Harbaugh & Estes, appears this week. Mr. Harbaugh claims subscriptions are due to him covering a certain period, and warns people to be careful where they pay their money. The Transcript, Mr. Snyder's paper, forced from its old quarters, issues from the Odd Fellows building, with a plain statement of how it was "bluffed out" of its sale, which had virtually been effected, and charges Harbaugh with "stealing the subscription list; that no one else has a right to use it, and by so doing is forcing upon the public a thing not genuine." Altogether, it is a pretty mess. This makes four papers in McMinnville, is a field with bare picking for three. We shall see what we shall see.

The claim of other cough medicines to be as good as Chamberlain's are effectually set at rest in the following testimonial of Mr. C. D. Glass, an employe of Bartlett & Dennis Co., Gardiner, Me. He says: "I had kept adding to a cold and cough in the winter of 1897, trying every cough medicine I heard of without permanent help, until one day I was in the drug store of Mr. Houlehan, and he advised me to try Chamberlain's Cough Remedy, and offered to pay back my money if I was not cured. My lungs and bronchial tubes were very sore at this time, but I was completely cured by this remedy, and have since always turned to it when I got a cold, and soon find relief. I also recommend it to my friends and am glad to say it is the best of all cough medicines." For sale by Howorth.

In Memory of Lincoln.

The audience gathered at the Baptist church Tuesday evening to witness the Lincoln memorial exercises held under the auspices of Custer Relief Corps was not so large as it might have been had the "grip" not been so prevalent, neither was the program as complete as the committee would have made it, owing to the same conditions. However, the numbers rendered were quite interesting and entertaining. First on the program was a prayer by Rev. Hunsaker, followed by "America" by the audience. Prof. Boardman then presented, in a twenty minutes talk, some of the noble attributes to the perfect life and character of the immortal Lincoln. After this the college glee club sang and responded to an encore. An instrumental duet was rendered by Mr. Roland and son, followed by a solo and encore by Miss Jennie Snyder, and a recitation by Miss Pearl Harris. Then followed a vocal duet by Mrs. Asbury and Mrs. Talmage. Mrs. R. P. Ungerman read a few reminiscences from the life of Lincoln, and Miss Rose Trumbull favored the audience with an organ solo. This completed the program, and the meeting was dismissed with the benediction.

DIED.

HENDERSON—Mrs. Rhoda C., died of old age on Tuesday, Feb. 12th, 1901, at the home of her daughter, Mrs. Edward Failing, in Portland. Mrs. Henderson was born in Shelby county, Kentucky, December 17, 1815. Her parents, John and Betsy Holman, were natives of Virginia. She was married to Robert Henderson in Clinton county, Mo., Feb. 12, 1834. In 1846 Mr. and Mrs. Henderson crossed the plains to Oregon, coming by way of the Applegate route and the big canyon. Mrs. Edward Failing was born while her parents were on the way to Oregon. The trip was a rough one and the Henderson party was a week getting through the canyon. Arriving in Oregon with wife and five children, Mr. Henderson took up a donation land claim of 640 acres on the Yamhill river, about three miles north of Amity, Yamhill county. Deceased leaves eight children, 34 grand children and 10 great grandchildren. She was a charter member of the Cumberland Presbyterian church of this city, and the last one to survive. The funeral was conducted in the church in this city on Thursday morning, by Prof. Boardman, assisted by Rev. Hunsaker. Mrs. Henderson's life is an example to all, and will always be a noble monument to her memory. She was buried beside her husband in Masonic cemetery.
