Selz Shoes have the reputation of being the best in America, and I have met with great success in handling the line. "Lady Elgin" is my leader at \$1.65, and Lewis & Staver's. is the ladies' shoe that usually retails at \$2.00. "'Men's Scalper" plow shoe at \$1.60 is the one we sold 200 pairs of in the little store around the corner; they are better than ever this year. "Selz Liberty Bell" school shoe for boys or girls stands alone for wearing qualities, The best are the cheapest in the long run, then why not have them when they don't cost any more than inferior makes? Women as Well as Men Are Made Miserable by Kidney Trouble.

Kidney trouble preys upon the mind, discourages and lessens ambition; beauty, vigor and cheerfulness soon

disappear when the kidneys are out of order or diseased. Kidney trouble has become so prevalent that it is not uncommon for a child to be born afflicted with weak kidneys. If the child urin-

ates too often, if the urine scalds the flesh or if, when the child reaches an age when it should be able to control the passage, it is yet afflicted with bed-wetting, depend upon it, the cause of the difficulty is kidney trouble, and the first step should be towards the treatment of these important organs. This unpleasant trouble is due to a diseased condition of the kidneys and bladder and not to a habit as most people suppose.
