

### Aguinaldo Captured?

Aguinaldo has been captured, and arrangements have been made for him to spend Easter Sunday in the prison at Manila. Now, the next thing is, who is going to capture that new \$40 Rambler bicycle that I am going to give away on July 6th. While you are reading this ad I am in Portland investigating more thoroughly the produce market, so that I may be in a position to pay the highest price for eggs, butter, chickens, bacon, lard, etc., and at the same time I will select a lot more up-to-date general merchandise to supply the demand of the coming summer. Up-to-date goods at right prices, combined with honorable and courteous treatment, will always insure a good business, as it has done in my case.

A man never gets too poor to be honest. He may get in such financial straits that he cannot pay what he owes, but he can yet be honest about it. The man who owes, is able to pay, and will not pay is the dishonest man. There are some men—just a small sprinkling—of that sort yet in the world. Some of them raise quite a howl against their neighbors' less flagrant faults.

Our old-time friend, Sam Soper, who used to farm extensively twelve miles west of the city, has become a merchant at Riverton, Neb. The following announcement appears in the Riverton Review of Feb. 22d: "Quite an important business change occurred Thursday of this week, Mr. Sam Soper having purchased the general merchandise stock of Mr. J. H. Mallory, and assumed possession the same day. We have not yet learned what Mr. Mallory intends to do, but as he is an enterprising business man we hope he will remain with us. Mr. Soper is not a stranger in 'these parts,' as we have personally known him for about twenty-five years, and during that time have had considerable business relations with him and have always found him upright in all his dealings. While Mr. Soper is just fresh from his farm, he is not an amateur in the mercantile business, having had some experience in Smith county, Kansas, and several years in Oregon. By fair and courteous treatment Mr. Soper will try to merit all the old customers of the store, and it will be his aim to make many new ones." Notwithstanding all this, Mrs. Soper has a longing for Yamhill county, and asserts that she will come back before another winter.

## Scott's Emulsion

of Cod Liver Oil is the means of life, and enjoyment of life to thousands: men women and children.

When appetite fails, it restores it. When food is a burden, it lifts the burden.

When you lose flesh, it brings the plumpness of health.

When work is hard and duty is heavy, it makes life bright.

It is the thin edge of the wedge; the thick end is food. But what is the use of food when you hate it, and can't digest it?

Scott's Emulsion of Cod Liver Oil is the food that makes you forget your stomach.

If you have not tried it, send for sample, its agreeable taste will surprise you.

One of my milliners was taking Chamberlain's cough remedy for a severe cold at that time, which seemed to relieve her so quickly that I bought some for myself. It acted like magic and I began to improve at once. I am now entirely well and feel very pleased to acknowledge its merits." For sale by Howarth & Co.

**Over-Work Weakens Your Kidneys.**  
Unhealthy Kidneys Make Impure Blood.  
All the blood in your body passes through your kidneys once every three minutes.  
The kidneys are your blood purifiers. They filter out the waste or impurities in the blood.  
If they are sick or out of order, they fail to do their work.  
Pains, aches and rheumatism come from excess of uric acid in the blood, due to neglected kidney trouble.  
Kidney trouble causes quick or unsteady heart beats, and makes one feel as though they had heart trouble, because the heart is over-working in pumping thick, kidney-poisoned blood through veins and arteries.  
It is used to be considered that only urinary troubles were to be traced to the kidneys, but now modern science proves that nearly all constitutional diseases have their beginning in kidney trouble.  
If you are sick you can make no mistake by first doctoring your kidneys. The mild and the extraordinary effect of Dr. Kilmer's Swamp-Root, the great kidney remedy is soon realized. It stands the highest for its wonderful cures of the most distressing cases and is sold on its merits by all druggists in fifty-cent and one-dollar sizes. You may have a 50-cent bottle by mail free, also pamphlet telling you how to find out if you have kidney or bladder trouble. Mention this paper when writing Dr. Kilmer & Co., Binghamton, N. Y.
