and many doctors, but all in vain. A great many hopeless men and women have been cured by the use of Dr. Pierce's Golden Medical Discovery; people with obstinate coughs, bleeding lungs, night-sweats and other symptoms of disease which if neglected or unskillfully treated find a fatal termination in consumption. "Golden Medical Discovery" has a won-derful healing power. It increases the nutrition of the body, and so gives strength to throw off disease. It cleanses the blood from poisonous impurities and enriches it with the red corpuscles of health. It is not a stimulant, but a strength giving medi-cine.
