The clergymen of several Pennsylvania cities are dissatisfied with the present order of things touching their compensation. They want a fee system established and legalized whereby they can charge and collect so much per item of services. Their argument is that doctors, lawyers, dentists and other professional men have fixed schedules of fees based not alone on actual services performed on the spot, but taking into account the time, labor and money invested in learning how. To have a smooth, soft skin, free from all eruptions, the blood must be kept pure and healthy. The many preparations of arsenic and potash and the large number of face powders and lotions generally used in this class of diseases cover up for a short time, but cannot remove per-manently the ugly blotches and the red, disfiguring pimples

when such remedies are relied on. Mr. H. T. Shobe, 2704 Lucas Avenue, St. Louis, Mo., says: "My daughter way ulficited for years with a disfiguring eruption the face, which resisted all treatment. She was taken to two celebrated health springs, but received no bene-fit. Many medicines were prescribed, but with-cut result, until we decided to try S. S., and by the time the first bottle was finished the eruption began to disappear. A dozen bottles cured her completely and left her skin perfectly smooth.
