Shirt Waists Must Go.

Owing to the very cloudy spring, shirt waists and summer dress goods have not sold as rapidly as they should have, and in order to reduce the stock I will commence at once to offer them at greatly reduced prices. I have an immense variety of shirt waists to choose from and now is the time to secure a bargain. All summer dress goods will be sold at greatly reduced prices also. My large stock of wrappers is rapidly getting lower; I am still selling the entire line at 1/2 off regular price. All bicycle coupons have been placed in a revolving churn and everyone is invited to take a turn at it to help stir them up. Only about two weeks remain to secure tickets on this \$40 Rambler which I will give away on July 6th.
