We are very busy just now selling out all lines of summer goods. Shirt waists and summer dress goods were greatly reduced last week and are going out very fast at the reduced prices. Large orders for fall goods are being placed. I have just received word that a large shipment of those Selz shoes is on the way; the great success with which I have met in selling Selz shoes has prompted me to increase the line for next fall. Only one week remains in which to secure tickets on the new \$40 Rambler bicycle which will give away on July 6th. The coupons are all in a revolving churn and you are invited to come and give it a turn to help stir them up. I still have a few of those 25c men's working shirts. C. C. MURTON.

Station Agent A. S. Pence, who has been in a Portland hospital, is now with relatives in Eugene. He is still on crutches, and writes Mr. Brodie that he may not be able to return to McMinnville before July. He was first thought to have appendicitis, but it is now believed to be muscular rheumatism.

The Dayton Herald speaks timely words of truth as follows: "The road between Dayton and McMinnville should be all graveled before another winter, and the work could easily be accomplished should everyone who is interested in the matter unite and do volunteer work, which they would not regret in after years, as they would then be able to travel over the road summer or winter with pleasure."

One day recently Mr. S. K. Deibel, a student at the college, observed a China pheasant on the college grounds, and went out to get a closer look. The bird took to flight and sailed right through one of the large front windows of President Boardman's residence, and brought up in the parlor. It was caught and one of its pretty feathers kept by Miss Trumbull as a souvenir. It was then set at liberty. Birds and fowls generally do not recognize windows as any stay to their progress.

Wong Young, a Chinaman living and working with Sam Yick at the laundry, was found dead in his bed on Sunday morning. He was up and about the day previous, and finding him dead in bed was a great surprise to his fellow Chinamen. He was addicted to the use of opium, which is believed to have caused his death. He was given a Christian burial, Rev. Fender officiating. Dying without means he was buried at the expense of the county. The ceremony at the grave was such as the Chinese follow, the personal effects of deceased being burned, and a goodly supply of rice, pork, etc., being left in dishes at the foot of the grave.

F. E. Morgan, formerly of Los Angeles, now of Portland, has been in the city this week representing the White Mountain Oil Co., of Kern county, California. This district adjoins that of the Rival Oil Co., in which W. L. Warren of this city has some stock, purchased at 50c a share, now worth \$1. Mr. Morgan is thoroughly acquainted with the oil history of California, and says that the long-time stock has made an average increase of value of \$20 for every dollar invested. He is interesting local capitalists. Mr. Morgan is unhesitating in the statement that Oregon has the strata for oil and that its discovery in this state is sure to come.

Mrs. Elizabeth Hutchinson brought to the office one day this week a copy of the local newspaper published in her old home town in Ireland, and pointed out a business advertisement that had appeared regularly in the same position for twenty-six years. What's the matter with Yamhill editors pooling their interests and importing a few such business men from the old country? As a result of the city council meeting held last Friday night it looks as if we are going to have electric lights after all. The councilmen and Mr. Jesse Edwards have about come together on the proposition to the effect that the city take lights to the amount of five hundred dollars annually for eight years, and furnish the necessary water power for running the light plant. On the strength of the prospect, Mayor C. J. Edwards tendered his resignation, as a provision in the charter forbids one of his official position having a financial interest in any corporation doing regular contract work for the city. The resignation has not yet been acted upon.—Newberg Graphic.

E. V. LITTLEFIELD, County Superintendent.

Death of An Old-Time Resident.

John H. Carse, of the grocery firm of Carse & Burden, died Thursday last after a long illness with stomach and heart trouble. He was born in Edinburgh, Scotland, April 12, 1835. He early emigrated to America and 40 years ago settled in Yamhill county, Oregon, where in 1862 he married Nancy J. Hembree, who died some time ago. Mr. Carse lived on a farm near McMinnville for a number of years. For two terms in the '70s he was county superintendent of schools. The past four years he spent in Portland and in California, where he went in the hope of regaining health. His surviving children are Mrs. G. H. Fisk, of Oakland, California; Mrs. Perry Douglas, Everard H., Ralph L. and Ernest E., of Portland, and John W. of McMinnville. The funeral was held in the Christian church of this city on Saturday morning, conducted by Rev. A. J. Hunsaker. Deceased is spoken of by all his old-time acquaintances as a good neighbor and friend, and an honest man. He was owner at one time of a portion of what is now F. J. Canfield's farm.

Tickets will be on sale July 3d and 4th, good for return up to July 9th, inclusive, between all points on Oregon line, at one fare for the round trip. Don't fail to take advantage of this opportunity to visit your friends. Grand celebrations will be held at different points on our lines. C. H. Markham, general passenger agent, Southern Pacific Company.

DO YOU GET UP WITH A LAME BACK?

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It is the great medical triumph of the nineteenth century; discovered after years of scientific research by Dr. Kilmer, the eminent kidney and bladder specialist, and is wonderfully successful in promptly curing lame back, kidney, bladder, uric acid troubles and Bright's Disease, which is the worst form of kidney trouble.

Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a book telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. When writing mention reading this generous offer in this paper and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The regular fifty cent and one dollar bottles are sold by all good druggists.
