nervousness and weakness are cured also.

"I was very weak and nervous when I commenced taking Dr. Pierce's Favorite Prescription and 'Golden Medical Discovery,' about a year ago," writes Mrs. M. E. Everetts, of 85 Oxford Street, Woodstock, Ont. "I had been suffering for seven long months, and had taken medicine from a physician all the time, but it seemed to make me feel much worse. My stomach was so bad (so my doctor told me), and my nerves were in such a state that I would start at the least noise. I felt irritable at all times; was not able to do any of my own housework; had to keep help all the time. How I suffered God and myself alone know. I was greatly discouraged when I commenced taking your medicines, but the first bottle seemed to help me. I took five bottles of 'Favorite Prescription,' two of 'Golden Medical Discovery,' also two vials of Dr. Pierce's Pleasant Pellets. I can highly recommend these medicines to all who suffer as I did. I never had better health than I now enjoy, and it is all owing to Dr. Pierce's medicines." nervousness and weakness are cured also.
