By strenuous and heroic effort 15 of ers returned to work at the seamless tube plant, and today their force was considerably increased. It is said preparations are in progress for resumption of work at the National Tube Works, and that the machinists who

were compelled to cease work through scene of the wreck. Two engines had the strike, have been ordered to report for work, for the purpose of getting the machinery in order.

The Mononghela blast furnace dedepartment of the National Tube Works is working full, and an effort is to be made this week to beat the output record since the strike started. At the Demmler tin plate plant, everything has been made ready for an early start. A report was current in Mc-Keesport today that a large number of Deputy Sheriffs had been sworn in to go to Demmler to guard the works at that place. The deputies have been ordered to report for duty Wednesday.

FOUL PLAY SUSPECTED.

Four Deaths In One Family Within a Month Cause an Investigation.

Calumet, Mass., Sept. 3 .- It is rather unusual for four persons in one family to meet death within a period of one month. Yet this ocurred in the case of Mr. and Mrs. Alder P. Davis and minutes. It was impossible to get at their two daughters, Mrs. Irving Gibbs the bodies of Superintendent Downs and Mrs. Harry Gordon, the latter of Chicago, the deaths taking place only

a few weeks ago. Some one started a rumor that these persons, or at least two of them, did not die from natural causes. Finally the District Attorney ordered an investigation, and Joseph Whitney, of the state police force, was instructed to make an autopsy on the bodies of Mrs. Gordon and Mrs. Gibbs. An undertime nor taker exhumed the bodies and an autopsy was held in the presence of medical experts, including State Examiner Faunce, State Detective Whitney, Proout having received instruction in woodwork, enabling her to mend and and lumber of freight burned like tin-of Harvard College. While Professor The train crew was forced back | Wood had undoubtedly been requested ing been taught to cook and serve from its work of rescue.
