

REPORTER SUPPLEMENT.--Sept. 6, 1901

Our President Fatally Shot

HON. WILLIAM M'KINLEY.

Such Is the Report By Wire!
News Came at 2:30.

Another Star Taken From The Flag!

President McKinley was assassinated by an anarchist, named Newman, at Buffalo, today. The bullet penetrated the abdominal region, and is said to be fatal.

America will mourn the loss of her third president.

Future presidents must be body-guarded if they would live. This looks bad for a free country, but it is becoming a necessity.
