

ANARCHISTS UP IN COURT.

Habeas Corpus Case of the Chicago Alleged Plotters Taken Up.

Chicago, Sept. 16.—Hearing on the writ of habeas corpus issued Wednesday for the release of the anarchists under arrest here began before Judge Chetlain in the Criminal Court at 11:40 a. m. today.

Judge Chetlain concluded to take up the habeas corpus case of the alleged anarchists in the Criminal Court building, on the North Side, adjacent to the jail, instead of his regular courtroom on the South Side. The change was made at the request of the Sheriff, who stated that he was afraid that an attempt would be made to rescue the prisoners if they were taken through the streets by the police. He said that the people were excited on account of the bulletins from Buffalo, and it had been reported to him that threats of lynching had been made.

Judge Chetlain arrived at 11:30, and a few minutes later the nine prisoners charged with conspiracy to kill the President were led in and given seats behind a row of bailiffs. Sheriff Magersstadt was present in person. Throughout the room were deputy sheriffs and detectives in plain clothes, the Sheriff having determined to take every possible precaution against trouble.

The writ of habeas corpus having been complied with by the production of the nine prisoners in court, counsel then made returns in behalf of the Sheriff, the Chief of Police and Justice Prindeville, who, according to the petition, held the prisoners under restraint illegally. The prisoners brought into court were: Abraham Isaak, Abraham Isaak, Jr., Clemens Peutzner, Hippolyte Havel, Henry Travaglio, Michael Rose, Martin Rosenick, Morris J. Fox. Emma Goldman was not present, but Justice Prindeville had promised to follow whatever decision was made by Judge Chetlain.

MANY TROOPS MISSING.

Several Small Fights Between Colombian and Venezuelan Troops.

Washington, Sept. 16.—The Consul at Maracabo, Venezuela, has informed the State Department under date of August 31, that no disquieting news has been received from the State of Tachira, but that the situation on the frontier of the Indian Territory of Lagogaira is very grave, and that large bodies of Colombian troops are missing. Several small fights between them and the Venezuelan troops have taken place and many wounded have been brought to Maracabo.

Recruiting is going on daily, animals and steers are being taken for Government service, and the commerce of the region is crippled.

The Colombian location last night received a long cablegram from the State Department at Bogota, the Colombian capital, reporting everything quiet there and a lack of official news regarding the bombardment of Rio Hacha by the Venezuelan fleet. The legation has received a letter from the Colombian Minister at Quito, Ecuador, dated August 28, saying that the Ecuador Government has given him the most friendly assurances of an intention to maintain strict neutrality toward Colombia. The legation here gives credence to this report of Ecuador's neutral policy.

FUSE IN THE CUPBOARD.

Evidence that a Cleveland Suspect Had Been Making Bombs.

Cleveland, Sept. 16.—In a frame building on Broadway, the Cleveland detectives have discovered evidence which, while not tending to prove the existence of an anarchist plot against President McKinley, will at least serve to hold one man who was arrested in Chicago.

As soon as information was received here of the arrest of Edward Wolcynski, of this city, in Chicago, Sergeant Doran and Detective Schemunk were detailed to search the house in which he lived, at 170 Broadway. They found stored away on top of a cupboard 50 feet of fuse, such as is ordinarily used in the manufacture of dynamite bombs.

The information was at once telegraphed to the Chicago authorities.

TO SERVE ON SCHLEY COURT.

Admiral Ramsey is Selected to Replace Rear-Admiral Howison.

Washington, Sept. 16.—Admiral Ramsey at one time chief of the Bureau of Navigation, has been selected as Howison's successor on the Schley court.

Washington, Sept. 16.—Admiral Dewey notified Admiral Schley by telephone today that the court of inquiry will resume its sessions at 11 o'clock on Monday morning next. The third member of the court, Admiral Ramsey, will fill the place vacated by Rear-Admiral Howison.

Seventh National Bank Affairs.

Washington, Sept. 16.—Six members of the reorganization committee of the failed Seventh National Bank, of New York, are here in consultation with the Deputy Controller of the Currency. Controller Dawes left for Buffalo this morning, and nothing will be given out regarding the plans of reorganization until they have been approved or disapproved by him.

Plot to Kill Roosevelt.

Berlin, N. H., Sept. 16.—Learning that a man who left here this forenoon for New York had declared that he was on his way to Washington to kill Vice-President Roosevelt, Chief of Police Youniss has telegraphed the Chief of Police of New York to look out for him. The man was a foreigner. He tried to buy a ticket to Washington, but could not do so and bought one for New York.

IN A CHICAGO JAIL

Arrest of Emma Goldman, "High Priestess of Anarchy."

TRIED HARD TO DENY HER IDENTITY.

But When Cornered Boldly Admitted It—She Sympathized With the Assassin, and Is Indifferent to the Crime.

Chicago, Sept. 12.—Emma Goldman, the anarchist leader, under whose red banner Leon Czolgosz claims he stands, whose words he claimed fired his heart and his brain to attempt the assassination of the President, was arrested here yesterday.

She disclaimed all but the slightest acquaintance with the President's assassin; she denied absolutely that she, plotted in any plot to kill the President or any anarchist she knew, was incident. She said she believed Czolgosz acted entirely on his own responsibility, and that he never claimed to have been inspired by her, as he is quoted as affirming. The President, she averred with a yawn, was an insignificant being to her, a mere human atom whose life or death were mat-

ter don't know surely, but I think Czolgosz was one of those downtrodden men who see all the misery which the rich inflict upon the poor, who think of it, who brood over it, and then in despair resolve to strike a great blow, as they think, for the good of their fellowmen. But that is not anarchy.

"Czolgosz"—the Russian woman pronounced the name with the greatest ease—"Czolgosz may have been inspired by me, but if he was he took the wrong way of showing it."

The police are not entirely satisfied with Miss Goldman's story. When Captain Schuetler and Detective Hertz discovered her at the home of one Norris, at 393 Sheffield avenue, she denied her identity.

"Hello, Miss Goldman," said the Captain, as he entered the parlor. "Are you glad to see me?"

"I'm not Miss Goldman. I'm a Swedish woman, and my name is Lena Larson," answered the anarchist, endeavoring to imitate a Swedish dialect.

"All right; I speak Swedish myself," said the police officer, as he poured out a few questions in the Norse tongue. Miss Goldman did not answer him, affecting to misunderstand. Detective Hertz, meanwhile, had discovered a penholder with the

ters of supreme indifference to her or to any anarchist. Czolgosz's act was foolish. Yet, she declared, it probably had its inspiration in the misery which the Pole had seen about him. Violence, she said, was not a tenet in the faith of the anarchist, and she had not advocated it in Cleveland, where Czolgosz said he heard her, nor elsewhere.

name "Emma Goldman" engraved on it.

"What does this mean?" asked Captain Schuetler, holding the inscribed penholder.

"It means that the game is up," she said. She then admitted her identity fully and accompanied the officers.

TRAINS DERAILED BY SAND.

Two Engineers Killed in Their Cabs—Two Others of Crew Injured.

The Dalles, Or., Sept. 14.—A shocking railroad accident occurred one mile east of here yesterday afternoon, in which Engineers Thomas Haslam and Ed Rees met a terrible death and Fireman Speer and Brakeman Davis were seriously injured. A gravel train pushed by two engines, running east at a speed of about 20 miles an hour, became derailed by sand on the track, the forward engine jumping the rails and plowing into a sand bank, where it was crushed into by the other engine. The two engineers were killed in their cabs, Rees' body being mangled beyond recognition. Both were frightfully scalded. Speer and Davis were severely scalded about the face and shoulders. Haslam and Rees were among the best known railroad men on the road. Both were married and leave families in this city.

BOER LEADER KILLED.

Thirty-seven Out of a Hundred Men Killed—Kitchener Reports Complete Victory.

Matjiesfontein, Cape Colony, Sept. 12.—Colonel Crabbe has surprised the camp of Van Dermerwe, the most trusted lieutenant of Commandant Scheeper, killed him and another Boer and made prisoners of 37 out of the 100 men under Van Dermerwe's command.

London, Sept. 12.—Lord Kitchener reports to the War Office from Pretoria as follows:

"Methuen engaged Vautouder and Delarey in Great Maries Valley, September 6th and September 8th, driving them from a strong position September 8th. The Boers left six dead September 6th, and 12 September 8th. Forty-one prisoners were captured."

Boy Confesses to Forgery.

Pendleton, Sept. 14.—Ira Sibley, a 17-year-old boy, has confessed to forging the name of Hiram Smith to a check on the Pendleton Savings Bank for \$130. He made a remarkable imitation of Smith's name.

New Washington Postmaster.

Washington, Sept. 14.—Helen Prosch was today appointed postmaster at Seabeck, Wash., and Joseph L. Lemm at Tye, Wash.

RESULT OF A CONSPIRACY.

Assassin Czolgosz Breaks Down and Makes a Complete Confession.

New York, Sept. 12.—A special to the Herald from Buffalo says: Leon Czolgosz has confessed to the police that his attempt upon the life of President McKinley was the result of a conspiracy in which many besides himself had a part. So far as can be learned Czolgosz has refused to mention any name except that of Emma Goldman, but papers are in existence which, if they can be discovered, will lay bare the entire conspiracy and will result in wholesale arrests, followed by prosecutions.

Although Emma Goldman has been arrested in Chicago, it is probable that she will be brought to Buffalo for trial. The center of the conspiracy is here. Buffalo is filled literally

LEON CZOLGOSZ.

The name of Leon Czolgosz, the assassin of President McKinley, is best pronounced by the uninitiated by recollecting how the Russian always introduces a "t" into the pronunciation of the name of the czar, thus: "tshar." In the case of Czolgosz, one should say "Tschal-gotch," with the "t" faintly sounded, and the second "o" quite full. The assassin has lived in Detroit, other parts of Michigan, Cleveland, Cincinnati and Chicago. He is without particular education, except in Anarchistic doctrines. The picture given is the one taken by order of Chief of Police Bull, of Buffalo, and Secretary of War Root.

to overflowing with agents of the secret service. A search is being made of every sewer that underlies the city, for it is known that in one of them is a package of papers containing details of the conspiracy and the names of those concerned with Czolgosz in the plot, together with an outline of its ramifications.

In his confession Czolgosz told of his attempt to destroy the written evidence of the conspiracy. He said that they did not permit him to burn the papers as he had desired. Before leaving his room in Nowak's hotel he gathered together all of his papers, taking them from his pockets, and from his valise, and from the drawers of his table. All were bound together in one package, which he concealed beneath his coat. Czolgosz says that he made a circuitous and aimless trip about the city, and that at some point, which he cannot now describe, he came upon an open sewer. Into this sewer he cast his papers. Inch by inch the sewers of this city are being searched, and if such a thing is possible, those papers will be recovered.

On authoritative information it can be said that during the last ten weeks Emma Goldman has visited six anarchist organizations. She has been in Buffalo three times since July 12, having left the city the last time four days before the attempted assassination. Emma Goldman, Czolgosz, Abraham Isaak and Marie Isaak were in consultation in Chicago on two occasions. Marie Isaak accompanied Emma Goldman to Buffalo the last time the arch leader of the anarchists was here.

Leon Czolgosz was accompanied to Buffalo and about the city by a mysterious Bohemian man and woman who acted so suspiciously as to warrant the assumption that they knew of the intention of Czolgosz to assassinate the President.

NOME POSTMASTER IN TROUBLE.

Charged With Embezzling \$3,200 From the Government.

Seattle, Sept. 12.—The postmaster at Nome, Joseph H. Wright, has been arrested and held for trial on the charge of embezzling \$3,200 from the Government of the United States. Postal Inspector J. P. Clum is the principal witness against Postmaster Wright. At the preliminary hearing, Clum testified that upon the first examination of Wright's affairs he found a shortage of about \$10,500. This was on a Monday. Between that time and Wednesday Wright replaced \$7,200, leaving a deficit still remaining of \$3,200.

Robert H. Mumford, known through the Yukon country and the States as "Policy Bob," committed suicide on August 27th by swallowing 20 grains of morphine in a room at the Goldhill Hotel, Nome.

Anarchists Can Be Expelled.

New York, Sept. 12.—Justice McAdam, of the New York Supreme Court, gives the opinion that Emma Goldman and other anarchists who are naturalized can be expelled from the country on the ground that they have sworn falsely in that they have obtained certificates of citizenship by fraud in testifying that they are attached to the principles of Government and would support its constitutional laws.
