Nasal Catarrh quickly yields to treat-  
ment by Ely's Cream Balm, which is agree-  
ably aromatic. It is received through the  
nostrils, cleanses and heals the whole sur-  
face over which it diffuses itself. Druggists  
sell the 50c. size; Trial size by mail, 10  
cents. Test it and you are sure to continue  
the treatment.

Announcement.  
To accommodate those who are partial  
to the use of atomizers in applying liquids  
into the nasal passages for catarrhal trou-  
bles, the proprietors prepare Cream Balm in  
liquid form, which will be known as Ely's  
Liquid Cream Balm. Price including the  
spraying tube is 75 cents. Druggists or by  
mail. The liquid form embodies the medi-  
cinal properties of the solid preparation.

COLUMBUS SCHOOL NOTES.  
School started off nicely the 23d, and  
has been running smoothly ever since.  
Everybody seems to be working hard  
and minding his own business, and if  
such continues there will be no trouble  
all the way through the year.

Prof. Alderman and Miss Bird have  
charge of the 9th and 10th grades, Miss  
Bristow the 7th, Miss Newell the 6th,  
Miss Green the 3d and 4th and Miss  
Hembree the 1st and 2d grades. Total  
enrollment of both schools, 320.

We have new text books throughout  
the grades and, although a little harder  
than the old ones, they are very inter-  
esting and instructive.

There are about forty-five high school  
students at present and several more yet  
to come.

Our literary societies are being talked  
of and will soon be reorganized.

Some of the boys are talking foot ball  
and we hope to see some good games be-  
fore the end of the season.

Kitchen Drugs.  
Of all the products used in the kitchen  
flavoring extracts that are pure and  
strong are hardest to get. Try our ex-  
tract of vanilla. It is absolutely pure,  
made from the highest grade of Mexican  
vanilla bean. There is one danger in its  
use: do not use more than one-half as  
much as of other kinds; if you do you  
will spoil your pastry. It is double the  
strength of other kinds. The same rule  
applies to our lemon extract. We only  
make two kinds, lemon and vanilla.  
Other articles for the kitchen: cream of  
tartar, soda, turmeric, mustard seed,  
mustard, celery seed and pure olive oil  
in any quantities of unquestionable  
purity.

Let us remind you the safe place to  
get drugs is at a drug store.

The rains this week have not caused  
Walter Miller great anxiety, as the six  
acres he had remaining to be picked  
were not yet fully matured. He seems  
more fortunate than most of the hops-  
growers this year in having a yield  
equal to that of last year.

The attendance at McMinville col-  
lege this year is probably more widely  
distributed than ever before. One young  
lady, Miss Pearl Tindell, comes from  
Idaho and eastern Oregon. Miss  
Mifylene Fraker, an accomplished solo-  
ist from Pendleton, has enrolled in the  
musical department.

Attorneys from abroad who have been

Mrs. Annie Evenden left on Saturday  
for Pullman, Wash., after spending a  
brief vacation with her family in Gopher  
valley. During that vacation she not  
only cooked for threshers but put up 150  
quarts of fruit. Mrs. Evenden has been  
chosen by the faculty of the Washington  
state agricultural college to a permanent  
position in the chair of music and they  
are very proud of her rare musical skill.

The first double wedding that ever  
took place in Polk county, was performed  
in Independence last week by the Rev.  
J. R. Baldwin, Miss Julia Locke and  
W. C. Williams, and Miss Ada Locke  
and C. E. Tedrow, being the contracting  
parties. The clergyman performing the  
ceremony says that this is the first  
double marriage with but one ceremony  
he ever performed, though he has "tied  
the knot" for several hundred couples.

Oregon climate must be peculiar. It  
makes men so ambitious that they seek  
after additional honors to the neglect of  
duties to which people have chosen  
them. This county has at least two cases  
of this kind at the present time that are  
attracting public criticism. It may be  
laid down as a well grounded truth that  
when a man is elected or appointed a  
public servant the people expect him to  
give his first attention—personal atten-  
tion, if you please—to the duties thus im-  
posed, and the people will not be satis-  
fied with anything less.

Miss Fern Stont has been added to  
the teaching force of the Dayton public  
schools. It is believed that the board  
has made a good selection. The entire  
corps now consists of Prof. Hanville,  
principal, Mrs. R. L. Harris, Miss  
Madge Dunn and Miss Fern Stont, as-  
sistants.

Miss Louise Yoran last week resigned  
her position in the city schools, and the  
board on Saturday evening elected Miss  
Addie Bristow, daughter of Prof. Bris-  
tow, to fill the vacancy. The resigna-  
tions of Misses Yoran and Akin have  
called forth a good many regrets from  
different school patrons, who recognized  
great progress in their children who at-  
tended these departments.

The many friends of Wirt L. Gardner,  
son of J. E. Gardner of this city, will  
grieve to learn of the death of his young  
wife, at Pasadena, Calif., on the 14th  
inst, of typhoid-pneumonia. It is doubly  
sad in that the young couple had been  
wedded but a short time. Word of her  
illness did not reach the relatives in this  
city until after her death, though Mr.  
Gardner writes that several letters were  
written. This is a matter of grief to the  
parents in that no word of consolation  
from home reached the young husband  
during his wife's illness.
