It makes no difference whether you pay in cash or produce, for every 50 cents' worth you trade you get a ticket on the bicycle, and it will be a fine wheel too, the very latest model fitted with coaster brake. Everyone visiting the carnival should not fail to visit my store; it is a carnival itself. My stock is more complete than it has ever been. Fall goods on display in every department, all of which are being sold at prices to suit every purse.

# You Can Lead a Horse to water but you can't make him drink.

You can't make him eat either. You can stuff food into a thin man's stomach but that doesn't make him use it.

Scott's Emulsion can make him use it. How? By making him hungry, of course. Scott's Emulsion makes a thin body hungry all over. Thought a thin body was naturally hungry didn't you? Well it isn't. A thin body is asleep—not working—gone on a strike. It doesn't try to use its food.

Scott's Emulsion wakes it up—puts it to work again making new flesh. That's the way to get fat.

Drying preparations simply develop dry catarrh; they dry up the secretions, which adhere to the membrane and decompose, causing a far more serious trouble than the ordinary form of catarrh. Avoid all drying stimulants, fumes, smokes and snuffs and use that which cleanses, soothes and heals. Ely's Cream Balm is such a remedy and will cure catarrh or cold in the head easily and pleasantly. A trial size will be mailed for 10 cents. All druggists sell the 50c. size. Ely Brothers, 56 Warren St., N. Y.

The Balm cures without pain, does not irritate or cause sneezing. It spreads itself over an irritated and angry surface, relieving immediately the painful inflammation. With Ely's Cream Balm you are armed against Nasal Catarrh and Hay Fever.

Elder A. L. Platt of the Christian church preached two good sermons on Sunday. In the evening his subject was "The One Thing Needful." Education, society and money are all good in their place, but christianity is the only certain road to lasting happiness. The pastor is axiomatic. Among other good things said in connection with the beginning of his work as pastor, was that "a dishonest church makes a dishonest pastor." If the church does not pay its pledges the pastor cannot pay his grocery bill. Rev. Platt is right. If a church cannot be conducted in a correct business way financially, it would better cease to be. Our guess is that Rev. Platt is a worker, and he evidently expects his church to meet him half way.

Kidney Trouble Makes You Miserable.

Almost everybody who reads the newspapers is sure to know of the wonderful cures made by Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. Dr. Kilmer's Swamp-Root is not recommended for everything but if you have kidney, liver or bladder trouble it will be found just the remedy you need. It has been tested in so many ways, in hospital work, in private practice, among the helpless too poor to purchase relief and has proved so successful in every case that a special arrangement has been made by which all readers of this paper who have not already tried it, may have a sample bottle sent free by mail, also a booklet telling more about Swamp-Root and how to find out if you have kidney or bladder trouble. ### Rheumatism

Rheumatic pains are the cries of protest and distress from tortured muscles, aching joints and excited nerves. The blood has been poisoned by the accumulation of waste matter in the system, and can no longer supply the pure and health sustaining food they require. The whole system feels the effect of this acid poison; and not until the blood has been purified and brought back to a healthy condition will the aches and pains cease.

Mrs. James Keil, of 707 Ninth street, N. E., Washington, D. C., writes as follows: "A few months ago I had an attack of Sciatic Rheumatism in its worst form. The pain was so intense that I became completely prostrated. The attack was an unusually severe one, and my condition was regarded as being very dangerous. I was attended by one of the most able doctors in Washington, who is also a member of the faculty of a leading medical college here. He told me to continue his prescriptions and I would get well. After having filled twelve times without receiving the slightest benefit, I decided to continue his treatment no longer. Having heard of S. S. S. (Swift's Specific) recommended for Rheumatism, I decided, almost in despair however, to give the medicine a trial, and after I had taken a few bottles I was able to hobble around on crutches, and very soon thereafter had no use for them at all. S. S. S. having cured me sound and well. All the distressing pains have left me, my appetite has returned, and I am happy to be again restored to perfect health."

SSS the great vegetable purifier and tonic, is the ideal remedy in all rheumatic troubles. These are poisons or minerals in it to disturb the digestion and lead to ruinous habits. We have prepared a special book on Rheumatism which every sufferer from this painful disease should read. It is the most complete and interesting book of the kind in existence. It will be sent free to any one desiring it. Write our physicians fully and freely about your case. We make no charge for medical advice. THE SWIFT SPECIFIC CO., ATLANTA, GA.

### THE PASSION PLAY.

Next Friday evening, Oct. 4th, at 8 o'clock, the passion play as given at Oberammergau, and to which travelers have gone from all parts of the world, will be represented by means of moving pictures at the Methodist church of this city. It was impossible to secure it until \$50,000 was pledged, but this was done, and an opportunity will be given to the people of McMinnville to witness it on Friday evening, Oct. 4th. The scenes represented have been taken from life as they were represented at Oberammergau, and are wonderfully realistic, each being full of motion, and giving a perfect impression of the last solemn events in the life of Christ. Reserved seat tickets are now on sale at Rogers Bros.' drug store at 50 cents each; general admission 25 cents; children under 12, 15 cents.

Passion play, given last night at the Taylor Street church, filled the church to overflowing, and many were turned away, so that the managers of the biograph have been induced to remain over another day, and to repeat the entertainment tonight in the same place, for the benefit of those who failed to secure admission last night. In addition there will be more than 40 scenes from "In His Steps" thrown on the screen, besides many other interesting events.—Oregonian Sept. 5th, 1901.
