Never was a Stock more complete, never were prices at the commencement of the season made so low. We're positively going to leave McMinnville, and the goods must be sold.

Dress Goods and Silks, the Finest Stock on the West Side, all at New York Cost.

25 per cent on all Boys' Clothing. Not an article reserved during this Sale; everything at actual cost.

CLOAKS, SUITS AND JACKETS—Never was our Stock more complete, never were prices marked so low, and from these prices, which are all marked in plain figures, we give you a discount of 25 per cent.

You should not delay. Goods at these prices will go like the wind. When they are gone there will be no more, as we are clearing out for good. All Store Fixtures, Show Cases, Mirrors, Etc., for sale at a bargain.

Never in the history of old Yamhill has there been a Stock like this thrown on the market at the very commencement of the Season at Actual Cost. We have reasons. We're going into other business, and we don't want the goods, but do want the money. Country Merchants will do well to look through our Stock before buying.

In fact there is not an article in the entire store but what is reduced. You had better lay in a good supply for Fall and Winter while the stock is complete. You may never have another opportunity like this.
