Just rain enough for the fair and not enough for farming, with the fin- est weather in the world, and moon- light evenings is what Yamhill county has to begin the festival to-day.

If this paper suits you for a bit a week we shall appreciate the favor of your subscription; we have no money to lose in the venture; if it pays its way another column will be added, and another; if not perhaps not. The quality is surely as fair as the rate.

### AT THE STABLES.

Yesterday there were more than twenty horses on the grounds, in train- ing. We obtained a partial list, as follows:

Empress, Ophir filly, owned by Mills & Howe, North Yamhill.

Turpin, bay stallion 2 years old, and Wilburnette, sorrel filly, owned by S. D. Bryan, Lafayette.

Two Altamont colts, 2 year old, owned by Dr. Littlefield. Also Cadet, 4 year-old gelding.

Mollie Flippen and Minnie D., full Dudly sisters, 3 and 4 years old, owned by Geo. Perkins, North Yamhill.

Buckskin, roan gelding, owned by Hon. Jas. McCain.

Yamhill Dude, cream gelding, own- ed by Wm. Malone, North Yamhill.

Bunyan, bay gelding, owned by T. B. Nelson.

Lancer D., bay stallion, owned by W. J. Garrison.

Tom. Thumb, brown stallion, and Billy Button, bay gelding, entered by A. D. Martin.

Hattie C., by Inauguration, bay mare, R. W. Phillips.

Jack Nance, roan gelding, John Flett.

Ten other stables were engaged and paid for, but the horses had not yet arrived. There are probably ten kept at city stables also.

The question of gate fees to enter-

ers of speed horses has been left to arbitration, on state fair rules.

### MISCELLANEOUS.

The track and grounds are in fine condition.

The restaurant has been enlarged.

H. H. Welch is on the grounds in a snug booth, opposite a tent from Port- land, presided over by Nickelson.

Morris Bros. are there with their grand swing, one of the institutions of Yamhill county.

Capt. Desharm will be on the grounds to-day with a fire extinguish- ing compound that goes with the T.S. Patty pump.

The display of edged tools made by Mr. Terry, will command universal admiration. Hatchets, tomahawks and knives.

There have been many fine improve- ments on the grounds. Among them a wheel for lifting water out of the creek for sprinkling purposes.

Make a note of Sutton's Missouri Steam Washer. It is certainly the finest thing in that line we have ever seen.

Montgomery's churn dasher sells at sight. It is the boss butter maker.

An exit gate for teams ought to be opened, to prevent a jam at the entry. It is not too late yet.

Hacks are on the road, and there is no dust.

Capt. Eellows and S. A. Manning & Co. have a fine display in the new pa- vilion.

At 2 p. m. to-day, quarter-mile dash, free for all Yamhill county. Trotting race, best two in three.

There will probably be no finer dis- play on the fair grounds than can be seen at Detmering's show window. En- ergy will tell. Detmering is certainly opening one of the finest lines of goods ever displayed in McMinnville.

The eight hour system was adopted at the warehouses in this city, last week. Not however, the popular sen- timent that had its birth in the crowd- ed work shops of the meek and effete east, but eight hours before breakfast, eight hours before dinner, and eight hours after supper. The rush is over, somewhat.

Don't forget that Bishop & Kay have the largest assortment of mens, youths, and boys clothing in McMinn- ville, also over coats and furnishing goods of all kinds, and now is the time to buy your goods and they are agents of the Brownsville Woolen Mills the best goods made and sold for the least money. Remember the place oppo- site Yamhill Co. bank.
