Subscribe for the Reporter, and pay for it when you subscribe, and we will pledge ourselves to give you more news, for less money, than any other paper in the Willamette valley. The Daily will help the weekly 100 per cent. See if it don't.

We have samples of Landreth wheat harvested by A. K. Olds this year, which yielded 60 bushels per acre. It was pastured late. His fields of 160 acres averaged 33 bushels per acre. He has this wheat for sale for seed at 75 cents per bushel.

At the Baptist church next Sunday a special sermon will be preached on "Probation after death," by the pastor, G. J. Burchett. The sermon will be preached at 11 o'clock a. m. All are cordially invited, especially those who are supposed not to believe in orthodoxy.

Berger, Burgess and Al. Raleigh of Portland, have just come out from Trask and Doherty with splendid success. They say that Keyes is the boss hunter and guide of the northwest, and that Jim Fairchild, the Tillamook stage driver, is the peer of Hank Monk.

With Greenbank's powdered caustic soda and refuse grease you can make 125 lb of pure soap for \$1.00. No experience, fuel, or special apparatus required, and only fifteen minutes of time needed. Caustic soda is also excellent for destroying insects on trees, etc. Send for circulars to T. W. Jackson & Co., 218 California St., San Francisco.

The accident to Dudley Howard at Pendleton, is greatly regretted among horsemen. He was a very promising colt. In his trial he struck a rock and broke his hind leg just between his pastern and fetlock. He had moved

a quarter in 0:24½. They hope to save his life. Such a three-year-old seldom if ever looked through a bridle. He has shown a quarter in 23 seconds, a half in 49, seven-eighths in 1:30, a mile in 1:45.

There will probably be no finer display on the fair grounds than can be seen at Detmering's show window. Energy will tell. Detmering is certainly opening one of the finest lines of goods ever displayed in McMinnville.

If this paper suits you for a bit a week we shall appreciate the favor of your subscription; we have no money to lose in the venture; if it pays its way another column will be added, and another; if not perhaps not. The quality is surely as fair as the rate.

Don't forget that Bishop & Kay have the largest assortment of mens, youths, and boys clothing in McMinnville, also over coats and furnishing goods of all kinds, and now is the time to buy your goods and they are agents of the Brownsville Woolen Mills the best goods made and sold for the least money. Remember the place opposite Yamhill Co. bank.

Advertisers can take their choice, either daily or weekly, at the same old rate. No advance in the price. We've come to stay, if you say so.
