## The County Fair.

Heaven is smiling upon Yamhill county.

If you want to make the fair a success take stock in it. If you want to "bust it"—growl.

The pavilion began to fill up yesterday, and as the ladies seem to act in harmony with our glorious weather, and to be actuated by that indomitable spirit of enterprise so lacking among men for the cultivation of the beautiful, we feel that what promised to be a slim exhibition yesterday forenoon, because of a lack of exhibitors; will by noon to-day be one of extent sufficient to excite the admiration of all. When we left this department last evening the outlook was indeed cheering and hopeful.

To-days races will be at 2 p. m.; half mile running and repeat, best two in three; free for all three minute class.

The first running race yesterday was won by Mollie Flippen 1st; Buckskin 2d; and Minnie C, 3d. Lancer Dudley and Bay Billey were in the contest.

It is a very difficult thing to start five horses in a race.

In the trotting match seven horses were entered. Perfection and Hollywood drew out. The first heat three were distanced, which left the contest with Milton and Billy Button. Both are owned in this city; the first by John Hulery, and the last by C. A. Wallace. Billy took the 2d heat, and Milton the third. Time 1st heat, 3.9 $\frac{3}{4}$ ; 2d heat, 3.14; 3d heat, 3.12 $\frac{1}{2}$ . The last two were pretty contests.

Geo. Willis had a three minute horse on the track yesterday good for every inch of it; but he was all broke up by excitement.

In a 300 yards dash yesterday afternoon between Conway, Arthur's horse, and Jack Nance, John Flett, the latter won.
