Don't forget that it takes cash to run a newspaper, and that subscription accounts, though small, ought to be paid promptly.

Butter, 40 to 50 cts.; eggs, 25 to 30; hams, 14 to 15; shoulders, 8 to 9; sides, 10 to 11; potatoes, 50 to 60 cents per bushel; chickens, \$2 to \$2.70 per dozen; green apples, 25 to 50 cts. per box.

Subscribe for the Reporter, and pay for it when you subscribe, and we will pledge ourselves to give you more news, for less money, than any other paper in the Willamette valley. The Daily will help the weekly 100 per cent.

The newspaper of the day, the successful journal of the future is the journal that trusts to the intelligence of its readers; that avoids foolish controversy; that gives all the news in the freshest and most reliable shapes; that stamps integrity in every column of its pages, and that advances with the matchless progress of the best civilization and the best government of the earth; and right here you have it for only ten cents a week, daily; five cents weekly.

Announcements of births, marriages and deaths are always published, when furnished, without charge, but they must be handed in in writing. This is the invariable rule in all newspaper offices and from it there is no deviation. Other items of information a reporter will run after from one end of town to the other, but yet, and well notices have to be furnished. So the next time you get married or are born, don't get mad if there is no notice. You have no one to blame but yourself.
