NEWS AND NOTES.

As we stated some time since, the press knew more about intended lease of the ORN to the UPR than did President Smith. The telegraph informs us that the lease has been perfected through the OSL, according to the plans of 1881, when the UPR began work of construction in this direction. This will not hasten work upon the Boise city to Albany line.

In these piping times of horrid butcheries in Oregon, it is a little refreshing, and out of the usual order of things, to have a man drive up to your office door and voluntarily surrender his sack, as S. M. Ross did to us last Wednesday. He is in pork business this fall, has killed thirty-five and expects to kill a hundred head. The sack left with us was filled with splendid sausage meat, and we recommend it to all who want something fine for the holidays.

That terrible blizzard which passed over the northwestern states, extending to the territories, last Wednesday, was a paralyzer. From Tuesday morning till Thursday night it showed no signs of abatement, during which time, in many places more snow fell than all last winter put together. Won't Bro. Hodson and Uncle Jim Fletcher have lots to talk about when they get home? But they are not home yet, are they; besides, the weather is a little wintry like here this morning.

Ulcerated Leg.

About August 1st, 1885, an eruption appeared on my arms and legs, which pained me very much and seemed to affect my physical condition generally. Under treatment of a physician the sores disappeared except on my left leg. There it seemed to concentrate, and two-thirds of the limb from the knee to the ankle soon became a solid running sore that discharged bloody matter continually. I was treated by physicians at various times, but obtained no permanent relief. On advice of a physician at this place, I finally commenced using Swift's Specific. I am glad to say that after using three large bottles the sores have all healed except one, and that is where the stirrup leather rubs when I am riding, and will soon be gone. G. N. Frizzell, Farmville, Texas, Sept. 18, 1886.

For sale by Rogers & Todd. Treatise on blood and skin diseases mailed free. The Swift Specific Co., drawer 3, Atlanta, Georgia, 157 W. 23d street.

Sufferers from kidney troubles will find Simmons Liver Regulator a true remedy for such complaints. "I have been troubled with liver complaint, kidney disease and bad blood for a long time. I have used Simmons Liver Regulator, and it has done me more good than all the medicine I ever took. I would not be without it." Geo. H. Pratt, U. S. Deputy Collector, 2d District, Ga.

RING THE CHANGES.

Ring Out the Old - Ring in the New.

In view of some changes in the business world, as well as among producers and laborers, it is well that we should one and all think of our own interests as well as that of others, and once in a while call a halt, take account of what stock we have on hand, whether it be in cattle, horses, merchandise or farms, and ascertain for ourselves our present condition and future prospects, and make such changes from time to time as each of us, after mature deliberations, find our better judgments may indicate. In view of these things I shall introduce to you on or about New Years, New Styles, New Goods, and a Radical change in the management of the Business which I trust may prove to our mutual advantage. It is with this object in view that it to be adopted. It will, upon investigation, be found simple and just to one and all. The time is past when a man can sell goods on one year or for an indefinite period, and compete with those who sell exclusively for cash. I shall on or about Jan. 1st introduce to you a system possessing all the advantages of both the credit and the cash systems, and none of the disadvantages of either.

A. J. APPERSON.

Special Notice.

In view of the change soon to take place, I desire all accounts to be settled by the 1st of Jan. A word to the wise is sufficient. Call and settle.
