NEWS AND NOTES.

Texans are preparing for a border raid upon Mexico.

The Chicago strikers have nearly all applied for work at their old places, upon the order of Powderly.

Dwyer Bros., the somewhat noted Brooklyn turf men, have won \$208,549.16 this year. The largest winning by any one stable in America. Their expenses nearly equal winnings.

The contractors of the switchback, over the Cascade mountains, are cutting a ditch six hundred feet long, seventy-five feet wide and eight feet deep, so as to drain Green river channel in order to obviate the necessity of building a bridge. Work on the switchback is progressing favorably. It is now thought that trains will be running over the mountains by the first of the year.

In spite of all that has been said, work has not been commenced at Newport upon the government jetty. It is certainly inexcusable. It was contemplated that the work should commence immediately after the appropriation was granted. The funds were made available for that purpose. The work is urgent to save that already done from destruction. Commerce is suffering from the delay. The weather has been uniformly mild and pleasant, and yet nothing has been done. There has been no satisfactory reason given why the work has been delayed, and when congress meets our delegation will probably make some inquiry concerning the matter.

A Bargain.

The Exchange hotel of North Yamhill, containing twenty-two rooms in all, two stories high, is offered for sale for cash, or exchange for real estate. The house is well known to the traveling public, and doing a good business. The present proprietor's reason for selling is that he is too far advanced in age to attend to it, and is determined to sell if an opportunity is offered, even at a sacrifice. In fact he is bound to sell if a customer comes. North Yamhill is as rapidly improving town as any on the west side, is the center of a large trade, the starting point for Tillamook bay, the resort for hunters and sportsmen in the summer season, and this is the best chance for a good man in the whole state. For further particulars address this office, or apply to J. Delap, North Yamhill, Oregon.
