**THE ART OF ADVERTISING.**

Here is a little catechism from a paper devoted to advertisers, and it contains the sum and total of the art:

What is advertising? The art of exciting curiosity.

What is curiosity? A feeling of inquisitiveness, which nothing short of an investigation will satisfy.

What is the result of creating this feeling? Prosperity and riches to the advertiser.

Who are the most inquisitive people in the world? Americans. Therefore, if you would succeed in advertising, excite curiosity, and you will hit the mark every time.
