McMinnville, Or. - - Jan. 5, 1887

E. EVANS, president of the Lumber exchange Bank, Tonawanda, N. Y., writes: January 15, 1886 I was entirely prostrated, and was reduced from 176 to 126 lbs. I thought I had inflammation of the large bowel. The pain was relieved only by morphine forced under the skin. My doctor treated me for inflammation and catarrh of bowels, an affection sympathetic with disorder of the left kidney, I had distressing pain, with night sweats, and could keep nothing on my stomach, especially liquids, and was intensely thirsty. Feb. 19 I was in intense agony with pain in my left kidney. I then began Warner's safe cure. In 20 minutes I was relieved. I refused the doctor's medicines thereafter. I finally passed a large stone from the bladder, then my pain ceased." If you write Mr. Evans, enclose stamp for reply.

Mrs. J. T. RICHEY, 562 4th Avenue, Louisville, Ky., was a confirmed invalid for eleven years, daily expecting death. Doctors pronounced her trouble to be neuralgia, female complaints and every other known disease. For months her left side was paralyzed. Could neither eat, sleep nor walk. Finally the doctors gave her up. She then began to use Warner's safe cure, and November 18, 1885, she wrote "I am as well today as when a girl, and feel about twenty years younger. Warner's safe cure has worked a miracle in my case." Mrs. Richey will gladly answer stamped inquiries.

W. H. RHODES, 118 E. Gay street, Columbus, Ohio, in 1879, was taken ill with palpitation and neuralgia of the heart, consequent on diseased kidneys. "Horrible dyspepsia" also afflicted him. He spent hundreds of dollars for relief in vain. He took 50 bottles of Warner's safe cure and was fully restored to health, gaining 70 pounds while using that great remedy. Write him and enclose a stamp. He'll tell you the welcome story.

CONSUMPTION is often only an indirect result of deranged kid-

neys. "Over two years ago I became a confirmed invalid. My friends all thought I was far gone in consumption. I was sure the time had well nigh come when I must leave my helpless little children motherless. With this dreadful fate staring me in the face, I resolved to try Warner's safe cure. My husband tried to dissuade me, thinking I was too far gone for anything to help me. But I took it, and in two weeks time I was like a new creature; and in four weeks I was able to resume my household duties"—at this writing I am perfectly well. Mrs. E. J. Wolf, wife of Rev. Prof. T. Wolf, D. D., editor Lutheran Quarterly, Gettysburg, Pennsylvania. If you write her, enclose a stamp, and she will tell you the story is true.

Mrs. RUTH BROWN, Coldwater, Michigan, if you write enclosing a stamp, will tell you it is true that in July, 1885, she "was suddenly paralyzed, and became blind, as her doctors claimed, from an enlargement and inflammation of the kidneys and liver. She was in an unconscious state for two weeks; face and body bloated, with agonizing pain; could not keep anything on her stomach; irregular action of the heart. Physicians pronounced her case incurable. Within a few weeks the paralysis left her, bloat went down, enlargement of the liver subsided, action of the heart became regular, and she became well in three months and has felt in good condition ever since." Warner's safe cure did this amazing work for her and she will tell you so.

PROPRIETOR H. B. KINNEY, Weldon house, Earlville, New York, was run down by overwork and threatened with Bright's disease, followed by stone in the kidney and bladder, which produced intense pain and spasms. A council of physicians did him no good. He passed fresh blood from the urinary organs. Everything else failing, he was finally fully restored to health by Warner's safe cure, as hundreds of thousands of other acute sufferers have been. Don't take Warner's word for it. Write to Mr. Kinney (enclosing stamp), and ask your friends and neighbors about Warner's safe cure.

CAPT. GEORGE B. WILTBARK, 919 Spruce street, Philadelphia, Pennsylvania, if now on land, will, if you write and enclose a

stamp for reply, tell you that "three years ago when in Central America; he was prostrated with kidney and liver trouble of a very serious nature. He was delirious, skin very dark, liver enlarged one-third, stomach too sensitive for the simplest food." Seven bottles of Warner's safe cure completely cured and saved his life.

"My DOCTOR'S BILL for the past four years has not been \$10," writes F. G. Bailey, of 30 South 9th street, Dayton, Ohio. He had vertigo, indigestion, great nervousness, inflammation of the bladder, kidney disease and bleeding piles. Eighteen bottles of Warner's safe cure permanently cured him, as he will tell you if you write him and enclose a stamped envelope. Ask your friends and neighbors about Warner's safe cure.

Mrs. J. J. BAYNE, 52 Lake Avenue, Rochester, New York, will tell you if you write, enclosing stamp, that this wonderful story is true: "In 1882 I was taken to the Clifton Springs Sanitarium, in a most deplorable condition, with congestion of liver, constant cold hands and feet, rushing of blood to the head, purple spots on my face, and my skin was as yellow as a lemon. The slightest food could not be taken without such distress and spasms that my cries could be heard a long distance. I had prolapsus very severely, profuse leucorrhœa, and uterine ulceration so that I could not wear a supporter. The doctors said that I had the worst case they ever saw. In two months I lost 40 pounds of flesh, and suffering all the time from intense headaches, and unable to obtain sleep, while cold, clammy sweats would break out over my body frequently. Under the operation of Warner's safe cure my skin cleared up and I began to gain flesh, and was able to walk one full mile. My case created such an interest at the Sanitarium that Warner's safe cure has since been prescribed for its patients with good results. I never was so healthy in my life.

Fire Department Notice.

There will be a regular meeting of the Hook and Ladder company this evening; and tomorrow evening a meeting of the entire department is called for at 8 o'clock p. m. upon business of importance.
