WHAT WE GUARANTEE  
FOR THE DRESS GOODS OF OUR  
MANUFACTURE.

To be made from the very best material, by skillful workmen, with the latest and most approved machinery, and to be the cheapest goods in the market when service is considered.

Are so thoroughly finished that they can be worn in damp weather, or in a shower, without fear of being ruined by curling or shrinking.

The manufacturing, dyeing and finishing is done in such a manner, that the goods can be washed if desired without the least injury to fabric.

Our goods are wool dyed, and colors as fast as the purest dyes and greatest care and skill can make them.

Goods show just what they are and will be until worn out, as there is no weighting, stiffening, or artificial lustre used to increase the weight or finish; as is the case with a large class of goods in the market, but which disappears after a few days' service.

As manufacturers we have taken great pains to supply an article in every way reliable, and unsurpassed by similar goods, either foreign or domestic, and would respectfully ask an examination of the various styles and shades to be found on sale by merchants who are agents for the goods.

All goods of our manufacture should bear the name and trade mark of
