

**CORRESPONDENCE**

**Newberg Notes.**

Mr. and Mrs. Hadley returned from a few months sojourn in California, last week.

T. A. Morris has bought a half interest in J. Hodson's store. He brings into the firm cash capital and extensive business experience.

The brick yard will be opened out on an extended scale in the spring.

Mr. Cottle has put in a complete stock of hardware, good quality and low prices.

Born, to Mr. Mrs. George Mitchell, a son, Jan. 31st. M.

**Lafayette Notes.**

Jas. McCain has been quite sick for the past few days.

Mrs. Littlefield returned from Chicago a few days ago.

Mrs. M. F. Cooke goes to Portland this week to visit her daughters.

Mrs. Matvey started last Saturday on a trip to Sumner, Washington territory, where she will visit her sister, Mrs. George.

A pleasant surprise party was held at Will Nelson's on Friday evening.

Mrs. Carl Young is very sick. Her mother is in attendance at her bedside, and Dr. Goucher was summoned from McMinnville Sunday to visit her.

The old-time acquaintances of Mrs. H. H. Snow of Renton, Washington territory, were made glad by a few days visit from her lately. Mrs. Snow is the genial, cheerful friend of a of yore, and while in her company it is hard to realize the changes that have taken place since she used to live among us.

Few towns of Oregon can boast of better railroad facilities than Lafayette. If we want to go to Portland we can have our choice of four different trains, two west side and two of the narrow gauge. If one has business to transact in Portland that requires but a few hours, he can easily go in the morning and return in the evening, taking his choice of trains, the narrow gauge, being easier of access, usually having the preference.

And still the solons are meddling with the school law. We say "meddle," because no law could be made more fair or just than this same school law already is as regards legality of voters. The change they propose is simply a gross injustice to the women of Oregon. We have better opinion of the majority of the members of the legislature, than to believe that they will pass such a bill. SELINA.

We are in doubt as to whether there was ever a Gem of Art issued by the so-called art publishers Geo. Stinson & Co., Portland, Maine, yet they allege, in a circular to publishers that they have just prepared an assortment of twenty "beautiful little gems." As an inducement for us to sign a Peter Funk affair of an advertising job with them, these are to be sent as d. h. The pictures which Stinson send out are a great deal after the "works" of art sent out by the agents of Sam Jones. Samples at this office.
