The debris of the session begins to encumber the waste baskets of the clerks. Among the most important measures which have failed are the Portland water bill, and the bill to provide for purchase of the locks at Oregon city.

Dr. Taylor believes that when a man finds out that he has been winding an eight-day clock every night for twelve years, he is perfectly justified in kicking the cat all over the house and hurling a brickbat at his neighbor's hens when they are roosting on his fence.

The exercises at the public school yesterday were witnessed by an unusual number of lady and gentlemen visitors. Both teachers and pupils are cheered by these visits. Rev. John C.
