The democratic press of the Atlantic side have much to say concerning the appointment of the colored man, Trotter, as register of the District of Columbia by President Cleveland. Trotter's friends hope his tenure of office will be stable. Even though the senate track was heavy for him, and it wasn't a very good place for a race anyhow, handicapped as he was, he made an excellent dark horse, and won the stake, even if badly broken up on the home stretch.

Miss Belle Johnson, teacher of music in McMinnville and at McMinnville college. Residence corner of Second and C Streets.
