Tourists Attention!

I am now prepared to take parties to and
from the coast in as short a space as possi-
ble. I have already made engagements for
several trips. Persons wishing to avail
themselves of a careful driver who will make
the trip as pleasant as possible, will consult
their own interests by calling on me. Should
travel justify, I will make regular trips from
now until the middle of Sept.

Lungs, is promptly and certainly arrested
and cured by this God-given remedy, if taken
before the last stages of the disease are reached.

thought seriously of calling it his "Con-
sumption Cure," but abandoned that name
as too limited for a medicine which, from its
wonderful combination of tonic, or strength-
ening, alterative, or blood-cleansing, anti-bilious,
pectorals, and nutritive properties, is useful
not only as a remedy for consumption of the
lungs, but for all
