Gross proceeds were about \$450, a total which, the club felt, was a good return for all the work. The community as a whole helped to make the affair a success, and the aid was greatly appreciated by the club.

The regular meeting of the PTA was held in the high school building Monday. The business meeting was conducted by Mrs. Raymond Sophy, president. As it was Education Week Mrs. Sophy had asked Mr. Joe Wright to give a report on the library and give a book review.

Many families are enjoying the library which now contains 350 volumes. The library had been open two days a week since the first of June, but the space donated had to be used by the owners so the books had to be packed up.

Now the Women's Civic Club plans to build a small building as soon as land can be secured and a little more money raise for the project. The building will be put on skids so that it can be moved to the new townsite when the time comes.

The book reviewed was "The Cleft Rock," by Alice Tisdale Hobart, concerning water problems of Central Valley in California.

The sixth grade won the prize for attendance of the most parents. A very interesting technicolor film, "Human Growth," was shown by Otis

White, high school principal, after which refreshments of pie, tea and coffee were served by Mrs. Edison Vickers and Mrs. Jack Gulliford.

The next regular meeting, designated as dad's night, will be Dec. 13.

Mrs. L. C. Davis has purchased the stock and equipment of Nancy's Dress Shop, formerly owned and operated by Mrs. Dave Epps at Mill City.

There was no grade school Thursday and Friday as the teachers attend institute at Keiser.

The Santiam Willing Workers Club is holding a bazaar Dec. 6 at the theater building in Idanha.

Mrs. Ray Watkins won the cedar chest at the American Legion Auxiliary dance given Saturday night. A large crowd attended. Music was furnished by Dan Uhey's orchestra of Salem.
