**CHANGE of LIFE?**  
Are you going through the functional "middle age" period peculiar to women (35 to 52 years)? Does this make you suffer from hot flashes, feel so nervous, highstrung, tired? Then do try Lydia E. Pinkham's Vegetable Compound to relieve such symptoms. Pinkham's Compound also has what Doctors call a stomachic tonic effect!

**Watch Your Kidneys!**  
Help Them Cleanse the Blood of Harmful Body Waste  
Your kidneys are constantly filtering waste matter from the blood stream. But kidneys sometimes lag in their work—do not act as Nature intended—fail to remove impurities that, if retained, may poison the system and upset the whole body machinery.  
Symptoms may be nagging backache, persistent headache, attacks of dizziness, getting up nights, swelling, puffiness under the eyes—a feeling of nervous anxiety and loss of pep and strength. Other signs of kidney or bladder disorder are sometimes burning, scanty or too frequent urination.  
There should be no doubt that prompt treatment is wiser than neglect. Use Doan's Pills. Doan's have been winning new friends for more than forty years. They have a nation-wide reputation. Are recommended by grateful people the country over. Ask your neighbor!

**Household Hints**

In ironing cotton sheets and pillowcases, use warm water for sprinkling because it penetrates the fabric more quickly than cold water.

Do not use too hot an iron or use too much pressure when ironing the folds of sheets. This results in weakness at the line of the folds and finally causes cracking of the sheet along these lines.

In removing stains from sheets and pillowcases, special methods should be used for the various types of stains. Lipstick usually comes out when bleached in hot, sudsy water. If it refuses to come out, the stained part should be bleached with hydrogen peroxide or Javelle water. If breakfast-in-bedders have spilled coffee or chocolate, the spots will usually wash out in hot sudsy water. To remove fruit stains, pour boiling water through the stain. If it is stubborn, bleach with hydrogen peroxide or Javelle water. To remove iron rust, apply a solution of oxalic acid and rinse thoroughly.

It is not necessary to iron Turkish towels. Ironing may mat the loops and make the towel less absorbent.

To make fudge squares uniform in size, pour the fudge in ice cube trays which have been greased with margarine. The fudge hardens quickly and each piece is uniform.

New towels should be laundered before use for better absorbency and sanitation.

**This Home-Mixed Cough Syrup Is Most Effective**

Cough medicines usually contain a large quantity of plain syrup—a good ingredient, but one which you can easily make at home. Take 2 cups of granulated sugar and 1 cup of water, and stir a few moments until dissolved. Or use corn syrup or liquid honey, instead of sugar syrup.
