How's Your Listening Time?

Buck Howell and I were in Baleyville last week. Dropped in at Bob's diner where some friends were sitting around talking about whether to sell hogs now or wait.

Buck plunges right into the discussion. He's lecturing away when suddenly they all stand up and start stomping their feet like it was an Indian war dance.

I'm flabbergasted. But Buck only looked sheepish, and explains, "Guess I was talking again, when I should've been listening. When a person's talking time gets out of

There are less chicken pox cases than there were but still quite a number. Strange to say, there have been an unusual number of adult victims.

We are glad to see Mrs. Pittam out and around after quite an illness.

Attendance at Sunday school has been most encouraging to the teachers. In spite of bad weather there has been a good turnout.

The Girl Scouts have delivered the cookies they sold, and judging from the quantity and quality, when they come around again a much greater success will be assured.

HOW MUCH IS ONE RESCUE WORTH?

A tiny hand above the water. Then slowly, slowly it sinks. But there is time—still time—if only someone is near, someone who knows what to do. A twelve-year-old boy, a woman, an old man—anyone, if only he knows.

And the wonderful thing is that there are millions who do know what to do and how to do it. Last year alone, you—through your Red Cross—made it possible to train more than a half-million people in water safety. Another 55,000 were trained and qualified as instructors in water safety and first aid. It is estimated that 17,000,000 have had training in first aid and water safety through your Red Cross.

Many of these people are able to save human life—priceless human life. How much is this ability worth? It's hard to say—unless it is someone you love who has been rescued.

Your contributions to your Red Cross can help carry on this training program, help take it to new areas that need it. Give now—it may save a life sooner than you think.

You, too, can help through Your **RED CROSS**
