16 Inch Old Growth **WOOD**

Bill Hutchinson, Lyons, Rt. 1

Members of the Gates Woman's Club met in regular session Thursday afternoon at the high school. Past presidents of the club were guests of honor at a dessert luncheon served by the hostesses, Mrs. Theodore Burton and Miss Georgia Shane. The table was centered with bouquets of spring flowers and the St. Patrick motif was used in decorations and dessert.

While the guests were still seated at the table a short program was presented. Three high school students, with a makebelieve microphone, broadcast a welcome to the special guests and greetings to the members. Carolyn Turnidge acted as MC while Lorena Devine and Idabelle Blackburn provided amusement with a number of clever jokes. Two groups of songs by members of the third and fourth and first and second grades, under the direction of Mrs. Gwen Schaefer, were given. Each guest was presented with a corsage by the hostesses. The past presidents were called upon to relate some of their experiences as chairman, and a brief history of the club was related. Tribute was paid to the memories of Mrs. Robert Monroe, who was instrumental in the organization of the club 45 years ago, and the first chairman, and to Mrs. A. D. Scott, both deceased. A card with signatures of all those present was sent to Mrs. Marietta Smith, a former president, who is ill.

Following the program a short business session was held, with Mrs. Elmer Stewart presiding. A motion to amend the bylaws to reduce the dues for the coming year to \$1 was carried and will be voted upon at the next meeting. It was decided to discontinue home extension work.
