T. W. Ragsdale of the Portland office presented ten-year certificates to Ken Ramsey, Ray Overholser, Harry Rutherford and Chuck Morby. Frank Lechleider, who is on annual leave, will receive his certificate on his return. Claude Beck received a 15-year pin. The awards are part of a nationwide program by the Corps of Engineers to recognize "satisfactory and faithful" service.

Mr. Ragsdale visited the camp and the damsite, escorted by Lt. Col. J. W. Miles, resident engineer.

About 30 couples attended the card party given by the Detroit Dam Recreation Assn. June 22. Bridge, pin-ochle and bingo were played; high score for bridge was won by Mr. Hellwig and Mrs. Johnson. Mrs. Jeff Boyer won the door prize, a set of plaques. Mrs. Pat Crawford, chairman of the entertainment committee, reported a profit of \$21.05 to go for playground equipment. Assisting her were Mrs. Ray Goebel, Mrs. William Vealey, Mrs. Rus Smith and Mrs. Ran Hellwig.

A large crowd saw the first softball game of the year at Lisle Field June 23. Lt. Col. J. W. Miles pitched the first ball, Claude Beck was at the plate and Ray Overholser acted as catcher. The field then being properly dedicated, the game between Beck's Burly Bruisers and Quall's Office Scribblers commenced. The Scribblers won, 14-10, and were then challenged by the Baker Boys for the following Tuesday night. Hot dogs and cokes were sold during the game by Mrs. Tom Mahoney, Mrs. Ted Brown and Mrs. Don Davis, and \$22.95 was raised for the recreation fund.

Mrs. Bill Smith won the contest to name the camp newspaper "The Canyon Castle." The third issue of the paper was distributed June 22. It is a weekly.

The Hobby Club met Tuesday and elected as permanent officers Bill Smith, president; Brad Humphrey, vice president; Tom Mahoney, secretary; and Ran Hellwig, treasurer. "K-9 Club" was chosen for the name and ground breaking ceremonies were held last Sunday at 9:30 a.m. The building will house power tools and other equipment for the use of hobbyists.

Mr. and Mrs. Bill Lonski are the parents of a daughter born at Lebanon June 22.

Mrs. Doris Johnson of Wallowa, Ore., and Mrs. Ellen Christenson of Missoula, Mont., are guests of Mrs. Lewis McDaniel. Mrs. McDaniel's nephew, Billy Cote, is also visiting her.

The John Trumbly family has returned from a two weeks' stay at the coast.

Paul E. Jones of Portland is spending the week with his daughter, Mrs. Jesse Glasgow.

Okla., are visiting Mr. and Mrs. Curtis Traw. Also visiting the Traws is a nephew, Don McDaniels, a student at the Occidental College in California.

The Norton Ferguson family are recent arrivals at Mongold.

The Hiking Club met early the morning of June 21 and hiked up the Volcano Trail, returning late in the afternoon.

THE NEW MILLION DOLLAR TRAIN ..... WITH THE MILLION DOLLAR VIEW

**Shasta Daylight**

TO SAN FRANCISCO

\$13<sup>28</sup> US TAX  
FROM MILL CITY

STARTING JULY 10. Southern Pacific's brilliant new streamliner *Shasta Daylight* makes its "maiden voyage" to San Francisco on Sunday, July 10, and daily each way thereafter.

Leaving Portland in the morning, it arrives in San Francisco that evening—by far the fastest running time in history to San Francisco.

Our lowest coach fares good for travel in luxurious chair cars on this new train. Through big "Skyview Picture Windows" of this dramatic red-and-orange dayliner you'll really see the wonders of the Shasta Route . . . the verdant Willamette Valley, the high Cascade Mountains, Odell and Klamath Lakes, the Sacramento River Canyon, 14,161-foot Mt. Shasta, Shasta Dam's Lake and Pit River Bridge, Lassen Peak volcano . . . all by day!

On the *Shasta Daylight*, like our *California Daylights*, there's a seat reserved for you without charge (for each child, too). It's cushioned in foam rubber and adjustable to the angle you prefer.

You'll enjoy other *Shasta Daylight* features: "windowpanes that breathe" for clear vision, our famous S. P. baggage elevators, zone-controlled no-draft ventilation, "feathertouch" doors that obey the whim of your finger, public address system . . . and beautiful interior colors inspired by the colorful route it serves.

Each *Shasta Daylight* (diesel-electric locomotives) has 9 chair cars, diner, coffee shop (always open), tavern car, and parlor-observation. Built for us by Pullman-Standard Car Mfg. Co. Nearly \$5,000,000 spent to give you a new, fast, scenic, bargain way to travel on the Pacific Coast.
