AMERICAN BANKING IN ACTION

CASH THAT FLOWS FROM YOUR PEN

In every city of the United States many people can take a piece of paper, write a few words, add a signature and, presto! — they can pay bills. Such is the magic of the checking account system which, through the cooperation of American banks, enables over 90% of the country's business to be settled this modern way. You too can enjoy the convenience of carrying your money in your fountain pen and paying bills conveniently with checks.
