Ford 4 1/2-ton Pickup. G.V.W. 4,700 lbs. Choice of two engines. V-8 or Six. New integral type rear axle.

We have a Ford for you...whatever you haul

Whatever you haul, wherever you haul it, we've got the right kind of truck for your work. Fords truck everything! Here's why! First, each individual Ford Truck can do more kinds of jobs. That's because it is Bonus Built with extra strength to give it a wider work range. Second, we offer over 139 different Ford Truck models. These, multiplied by scores of chassis options, give a job coverage practically without limit. That's what's back of our contention that the loading dock hasn't been built which has strained to a load that Ford Trucks can't pull. Come in and get the facts from us on wide Ford job coverage. Check on the scores of exclusive Ford Truck features available in no other truck built!
