Marion Forks

BY MRS. SCOTT YOUNG

Alene Seeman of Manhattan, Mont. has been visiting with the Streffs here but left Sunday for her home in Montana.

E. Gates has been visiting the Dean Smiths but left Sunday for his home in Sisters.

The final experiments have been completed on the young fry raised in Marion and Horn Creeks by the Fish Commission. Different types of feed were tried out and the results watched. Those feeding on a liver diet proved it produced the largest and liveliest fish. The stream being muddied by the dredging being done in connection with the new hatchery and ponds hastened the closing of the experiment by a few weeks. All the fry were liberated in the Santiam.

Foster Steel and party of Portland stopped enroute to the Metolius river resort. Mr. Steele and Scott Young were closely associated years ago in Forest Service work.
