

Gates

New residents of Gates will be the families of Nate Bond and James Moore who have purchased the Mobley place east of Gates. This is one of the largest acreages in this area and has two dwellings, a large house and a smaller and more modern cottage. This place was formerly the Schroeder.

Mr. and Mrs. Clarence Cobb have bought the M. Kessler property east of Gates and it is reported will reside there. The sale was made by Pennick-Fennick.

Recent guests at the home of Mr. and Mrs. Walter Brisbin were Mr. and Mrs. Oscar Osterhaut, Mr. and Mrs. Ansel Hayward and three sons, Mr. and Mrs. Phillip Hackenberg and daughter, all of Portland; Mr. and Mrs. Leonard Brisbin of San Francisco and Mr. and Mrs. James Arthur of Spokane.

Mr. and Mrs. Burnette Cole who are staying for a time at the home of his parents, Mr. and Mrs. Burrell Cole, spent the week end at Seaside.

Oscar Nystrom who was quite seriously scalded recently when he removed the cap from the radiator of

a "cat" and boiling water splashed on him, is reported to be much improved.

Mrs. George Stafford of Niagara is teaching in the Mill City grade school again this year.

Bob Lewis, a new resident of this community, returned here Monday from Los Angeles where he had been on business.

Mr. and Mrs. Grant Fallin of Salem have purchased a tract of land with river frontage from Royal Johnson and plan to build a summer home on the property.

Mr. and Mrs. Paul Davis were hosts Sunday at dinner to Mr. and Mrs. Wilson Park and three children and Mr. and Mrs. George Clise.

Ned Richards and Harold Wilson spent several days fishing last week on a trip that covered about 300 miles.

Frank Saunders, recently of Salem but now a resident of Gates where he purchased the Georgia Shane place is assisting Glen Hearing on Saturdays at the barber shop.

A guest at the Saunders home last week from Salem was George Hull of the Smoke Shop.

Mrs. Velma Carey spent several days of her vacation at the home of her son, Eugene Carey, and family in Portland. Mrs. Carey resumed her duties as cook for the hot lunches served to the pupils at the local school Tuesday of this week.

Among those attending the fair in Salem were Mr. and Mrs. W. Hutcheson, Miss Helen Wilson, Miss Pat Jun, Don Carey, Mr. and Mrs. Robert Wilson, and many others.

Mr. and Mrs. W. M. Campbell of Salt Lake City are visiting at the home of their daughter, Mrs. Harry Osmus, and family.

M. and Mrs. Claude Rebhan of Dallas were Sunday guests at the Norman Garrison home.

Mr. and Mrs. Frad Zuncik and son were week end visitors at the home of her mother, Mrs. Harry Edwards.

Wiley Muise, graduate of Gates High School last June, left Monday for Salem where he will attend Willamette University.

Oliver Muise, former student at the local high school, is staying this winter at the home of his aunt and uncle, Mr. and Mrs. Delbert Jenkins in Mill City and will attend Mill City High. Oliver is one of the outstanding members of the Gates basketball team and his place will be hard to fill.

Members of the Gates Woman's Club met Thursday afternoon at the home of Mrs. Harold Wilson. A no-host luncheon was served at 1:30, followed by the regular business session. Mrs. T. R. Burton, vice president, presided in the absence of Mrs. Elmer Stewart. The main topic discussed plans for the erection of a new clubhouse which is now under construction. The plans for the foundation, submitted by Tex Allen, were formally approved by the members. Mr. Allen has donated his services, which are greatly appreciated by the club and will provide a plan for a most attractive and modern building of which Gates may well be proud.

Two new members were welcomed into the club: Mrs. Frank Saunders, formerly of Salem, and Mrs. Larry Shelton. The next regular meeting of the club will be held in the social rooms of the school Thursday afternoon, Sept. 22. A no host luncheon will be served preceding the meeting.

Idanha

By MRS. RHEBA SNYDER

Born to Mr. and Mrs. Fred Martin Tuesday, Sept. 5, in a Salem hospital was a baby girl, christened Mildred Elaine.

Sol Tucker's mother and his sister, Mrs. Bob Heiple, and Mr. Meiple, all of Estacada, were guests at the Tucker home the past week end.

Mr. and Mrs. A. R. Snyder and two sons, David and Leonard, drove to Salem Thursday evening to meet the train on which Arnold Snyder came up from California. Arnold plans to be home for a month or so.

Frank New and Holland Storey spent Saturday and Sunday fishing at East Lake.

The Idanha Little Theater Group were guests at the home of Mr. and Mrs. Warren Stoll last Saturday evening. Attending were Mr. and Mrs. John Ray, Mr. and Mrs. eJray Pittam, Mr. and Mrs. James Gordon and Roselle Vickers.

Mr. and Mrs. A. R. Snyder and sons motored to Roseburg Saturday, stopping en route in Eugene to visit Mr. Snyder's cousin, Roy Snyder, and family. In Roseburg they visited at the home of Mrs. Snyder's brother, Leland Pittam and family, returning home Sunday night.

The first executive meeting of the Deanha PTA was held at the high school building Monday night, with all officers and four committee chairmen present. Business for the coming

TAKE IT OR LEAVE IT

By R. L. STIFFLER

As I'm writing this column I hear the first school bell of the season, and it brings to mind how really important an event this is to our younger generation and to us, too. In fact, the very lifeblood of our nation depends on it.

Let me illustrate this point. During the war I worked in a confidential branch of the Navy Dept. on Radar. And we had the privilege along with an atomic scientist to attend a closed meeting with some Army Intelligence officers who had just arrived from the European front. And one of the speakers brought out this point:

That the old concept for winning wars of "getting their fustes with the mostes" must go and it's now "getting there first with the most technical advancements" — which will decide the outcome.

This new trend in national security reflects directly on our schools. In fact, we may have to turn out a whole crop of "Einsteins" in order to feel safe.

I brought out this point, not that it is the only important function of schools, but it is an important function that a lot of folks never think of.

I sure shudder to think what some of the math formulas are going to look like the next generation to come. I remember when we took a short Radio Engineering course at U. C. Some of the questions would fill two tablet pages before we got the answer to the value of one radio part in a circuit. O, well, that's all over.

Say, speaking of formulas, we have worked out one for "Why you should shop our store for bargains. It's this:

Careful Buying x Good Quality Merchandise
Divided by
Low Overhead x No salesman's commission = Dollars Saved to you
Come in and shop around and see how our formula works.
