

Better Vision Means Happier Leisure

Eye care will return dividends for every penny it costs. One pair of eyes must last us a lifetime. Don't force them beyond their ability. If you can't see you can't read. If you can't read you can't learn. If you can't learn you can't earn. Take the care of your eyes.

The social meeting of the Gates Womans Club was held in the recreation rooms of the high school Thursday afternoon. A no-host luncheon at 1:30 was followed by a short business session with Mrs. Elmer Stewart presiding. Plans for the fall bazaar were discussed; it was decided to give a turkey dinner at 6:30 the evening of Oct. 12 at the schoolhouse; a charge of \$1.255 per plate will be made for adults; children 50 cents.

Proceeds from the dinner will be added to the building fund.

The affair was sponsored by the Gates Womans club. After a short address of welcome by the president of the club, Mrs. Stewart, and introduction of the teachers by the superintendent of schools, T. R. Burton, the evening was spent informally. Refreshments were served at the close of the evening.

Joe Joaquin met with a painful accident when he drove a screwdriver through his hand while working in his garage. The hand became quite swollen and inflamed and it was necessary for him to make several trips to a doctor for treatment of the wound. At last reports the infection was subsiding and he was much improved.
