

**PRE-SCHOOL MEETING OCT. 25**

A meeting of the Lyons Community kindergarten group will be held Tuesday, Oct. 25, at 8 o'clock in the Twin Cedar schoolhouse.

All mothers of children pre-school age are invited to attend.

Officers will be elected for the coming year and plans discussed for the new term. Twenty-three children attended last term. Mrs. Charles Power is the teacher, and classes are held twice weekly.

New equipment for the year includes a flannel board for display of children's work.

Prospective mothers needing transportation may call Mrs. John Prudeaux, Lyons.

**NEW STATION OWNER FORMER MINING ENGINEER**

Allen Keith, owner of the new Cheyeron station which opened this week, is a former mining engineer in Nevada.

He was graduated from the Mackay School of Mines of the University of Nevada, prior to attending Stan-

Allen Keith

ford University, and was engaged in the mining business prior to coming here.

Mrs. Keith, who joined him this week, also was a student at the University of Nevada. They are living in the Reid Motel.

**KEEP NIGHT LIGHT ON, MERCHANTS ADVISED**

Police Chief J. T. King this week advised local businessmen to keep a night light burning in their establishments to facilitate the nightly watch.

"A few cents worth of current a

**LITTLE ILLS  
MAKE  
BIG BILLS!**

True, that "little illnesses" you've been mentioning in an offhand way, may not seem to amount to much—just a few faint symptoms. But, neglected, these "little ills" can lead to big bills for doctors, medicines, etc; not to mention needless suffering and loss of precious time. Consult a Doctor now—you'll save by it in the end. And, of course, we hope you'll bring his prescription to us for careful compounding.

month may prevent a burglary," he said.

Chief King is on duty from 12 noon to midnight, and Patrolman Ray Rich takes over then—until the next noon.

A burglary of the Mill City Tavern was possibly averted last Thursday night when Benny Bennett, bar-

tender, heard prowlers behind the building. Chief King investigated, and the prowlers took flight as soon as he went behind the tavern.

**OWNERS TAKE BACK STATION**

Dick Cain and Cecil Lake are back at the Silver Saddle service station. Roland Hoppen, who had leased it,

returned to Salem where they will have charge of another station.

**Detroit Rejects Incorporation**

The proposal to incorporate a six-mile upper Canyon area of Detroit and Idanha was defeated in an election there Thursday, 206 to 99.

Edison Vickers, Breitenbush district justice of the peace, was leader of the movement for incorporation. He advocated it on the grounds of a need for public improvements. Opposition centered largely around Idanha, where opponents argued that too much territory had been taken in. The local mill managements there also were opposed.

How the two towns voted was impossible to tell, because both vote in the same precinct.

The election outcome leaves for Detroit the problem, before 1951, of finding a new location or disappearing as a town, because it lies within the reservoir area of the Detroit Dam.

**GATES MAN GRAVELY HURT IN PORTLAND COLLISION**

Orville Hayward, Gates, was seriously injured in Portland Saturday when another automobile struck him while he was fixing his stalled car during a dense fog.

Hayward, son of Mrs. Walter Brisbin, Gates postmaster, was taken to Good Samaritan Hospital where he was in the operating room for five hours for treatment of two broken ankles, a fractured knee and multiple fractures of both legs.

Hayward, a logger, will be confined in the hospital at least three months, it was reported.

The accident occurred on Denver Ave. near Vanport. He reported he was standing at the rear of his car reaching for a tool when the other vehicle approaching from the rear struck him, tossing him into the air with an impact that tore the shoes off his feet.

Neither car was damaged beyond locking the bumpers.

In the Hayward car also were his wife, and Mr. and Mrs. Stanley Vale, also of Gates, who were uninjured.
