want to remind you that Christmas is beginning to creep up on us and that it is not too early to begin thinking about Photographs of your children or family group for the Ideal Christmas Gift. A photograph of yourself is the gift only you can give; unique and deeply appreciated by friends who receive it.

Photographers always have a rush of last-minute business during the Christmas Season and that is why we say HAVE YOUR PHOTOGRAPH TAKEN EARLY AND AVOID DELAYS that usually develop near the end of December.

McEwan's prices are very reasonable—as low as \$9.00 per dozen for 3 x 5 photos in fine mounts. 5 x 7's are \$15.00 per dozen. We are proud of having maintained our low prices without increase since pre-war days.

Our studio in the Mill City Furniture Store is open each Friday afternoon and evening.
